International Day of Elders 2023- 2024- Report

"On October 1, 2023, alumni of our college gathered to celebrate the International Day of Elders with a visit to Sion Malai Chennathur. The day was marked by a spirit of giving and companionship as we provided provisions and cleaned the home for the elderly residents. It was heartening to see the smiles on their faces as they welcomed us into their living space.

Spending time with the elders was a humbling experience, reminding us of the wisdom and life experiences they carry. As we engaged in conversations and listened to their stories, we gained valuable insights into the past and a deeper appreciation for the present. The atmosphere was filled with warmth and gratitude, creating a sense of community and togetherness.

In addition to providing provisions and cleaning, we also organized activities to engage with the elders and make the day memorable for them.

As the day came to a close, we reflected on the importance of honoring and respecting our elders. Their presence in our lives is invaluable, and it is essential to acknowledge their contributions and sacrifices. The experience left a lasting impact on all of us, reinforcing the value of compassion, empathy, and gratitude. We look forward to continuing this tradition in the years to come, ensuring that the International Day of Elders is celebrated with the same spirit of generosity and kindness."

Women's Education Campaign 2023 – 2024 Report**

The Village Awareness on Women's Education Campaign, organized by the aluminae of St. Joseph's College of Arts and Science for Women, Hosur, on 28/01/2024, at Mudugandanahally Village, was a commendable initiative aimed at promoting education and empowerment among women in rural communities.

The campaign sought to raise awareness about the importance of education, particularly for women, and to address the socio-economic challenges faced by rural communities. This program was conducted to encourage open dialogue and discussion on issues affecting women and families in the village. Participants were encouraged to share their experiences, concerns, and aspirations, fostering a sense of community and solidarity.

Women's Education Campaign at Beegisetipalli Village exemplified the spirit of service and empowerment championed by the alumni of St. Joseph's College of Arts and Science for Women, Hosur. By fostering a culture of education, empowerment, and social awareness, the campaign has laid the foundation for sustainable development and positive transformation within the community.

Guest lecture- 2023-2024 - Report

Divyarathna Gandhi, MA, B.Ed, CDE, DIP IN ACCUPUNTURE, a former student of our college and current Beauty and Makeup Artist and Trainer, delivered a comprehensive speech on 15.02.2024 to the students of the Computer Science, BCA. The speech emphasized the importance of engaging in extracurricular activities alongside academic pursuits for holistic development.

She defined extracurricular activities as pursuits outside the academic curriculum, including sports, arts, community service, and clubs. She highlighted the benefits of extracurricular engagement, such as fostering interpersonal skills, promoting personal growth, enhancing time management, supporting mental well-being, and advancing career prospects.

Drawing from her personal experience and professional background, she shared insights on the significance of pursuing passions beyond traditional academic paths. The speech encouraged students to actively participate in extracurricular activities to enrich their college experience and develop a well-rounded personality. Her relatable examples and personal anecdotes resonated with the attendees, sparking interest and encouraging reflection on their own extracurricular involvement. Her speech served as a reminder for students to embrace opportunities for personal growth, self-discovery, and skill enhancement beyond the confines of the classroom. Her talk inspired a culture of holistic development within the college community.

It is recommended to organize similar talks and workshops regularly to continue fostering a culture of holistic development among students.
