INTERNSHIP REPORT

ACKNOWLEDGEMENT

TITLE To Develop Reading and Comprehensive Skill .

During the past fifteen days, I worked as an English Teacher in Blossom Matriculation School, No 2/737, MM Nagar Mookandapalli, Hosur – 635126. I would like to express my Heartfelt thanks to my Institute St. Joseph College of Arts and Science for Women for giving this wonderful opportunity. Also, I would like to extend my gratitude to Mrs. Vasanthi for being our Guide throughout the Internship period. I utilized this opportunity to learn about students and gain experience in teaching.

DESCRIPTION OF SCHOOL

I have Completed my Internship period in Blossom Matriculation School, Hosur where the infrastructure and surrounding are satisfied with Green environment. The school has both clean interior and exterior, which helps students to stay focused while encouraging proper hygiene. The school follows the Teaching process of English medium with creative approach through innovative clubs and activities.

MY EXPERIENCE

The Internship period was from 09.06.2023-23.06.2023. It was very Impressive to witness the regulated routine of students and the administration of School from morning till evening. The students are dedicated and attentive throughout the class. It is surprising to see how everyone undertakes their duty sincerely. This experience made me to adapt beneficiary things.

SCHOOL ACTIVITIES

I was given the role of a trainee teacher, to teach and observe the activities of students to conclude this purpose of training.

MORNING ASSEMBLY

Morning Assembly is a solemnity of school. It is a tradition of our country to start everything with a prayer. Everyday of School begins with morning assembly, including invoking

prayer. Which spreads positive energy among the students and staff members which inculcates an important lesson in each student's life.

INTERNSHIP EXPERIENCE

This Internship was a great experience in my life. This particular Experience of being an intern helped me to learn about students and their emotions and behaviour, which is an essential quality of a teacher to understand them and make progress in their academics. An unexpected welcome and encouragement from the authorities, particularly from Mrs. Vasanthi, our guide during the internship made this a pleasant and memorable experience. The inquisition nature of the students and their aspiring talents taught me numerous lessons.

CONCLUSION

My first teaching experience made me realize a lot about what it means to be a teacher and much concerning about myself, as a future educator. I realized elementary education is an important phase in student's life. I also attempted to teach children to develop Reading and Comprehensive skill . The Internship's goal was to pique the students interest in the field of education and it was indeed accomplished.
