## INTERNSHIP REPORT

### ACKNOWLEDGEMENT

TITLE: PROSE-When the trees walked

POEM-Trees

I worked as an English teacher in Blossom Matriculation School, No.2/737, MM Nagar, Mookondapalli, Hosur-635126. I would like to express my sincere gratitude to my institution St. Joseph's college of Arts and Science for Women ,Mookandapalli , Hosur for providing us with the opportunity to express our skills and gain knowledge about teaching.

### DESCRIPTION OF SCHOOL:

The institution where I completed my internship was Blossom Matriculation School. It is located in an urban area. The school is co-educational. All the classrooms are in good condition. The school is located in a pleasant environment and has huge play ground.

### MY EXPERIENCE:

The internship period was from 14.06.2023-28.06.2023. First, I faced some difficulties in understanding the student's mindset but with the dedication of my spirit I overcame this, and I also understood the psychological condition of the students, which helped me to interact with the students.

### SCHOOL ACTIVITIES:

As a trainee teacher, I played a role in teaching prose and poem. Many events and competitions were conducted to bring out the main ideas and concept of the poem and prose among the students.

### MORNING ASSEMBLY:

"A prayer can change the impossible". The morning assembly in the school was quite impressive because of the choir's performance. It started with prayer, thoughts, moral values, school anthem, and concluded with the national anthem. It inspired students to keep up their spirit the whole day.

### INTERNSHIP EXPERIENCE:

The internship experience was great. This internship has provided me with a wonderful opportunity to acquire practical knowledge, communication skills with the students and teaching technics. The staff members in the school were supportive and encouraged us to complete the internship . On the whole, I gained some knowledge in teaching.

### CONCLUSION:

I acknowledge the importance of training and concede that it has changed me into a good teacher. Through this internship, the students gained knowledge and moral ideas from the story which helped them to form a good character.

## **ACKNOWLEDGEMENT**

**TITLE:** Mind Map

Supplementary-On Monday Morning.

I worked as an English teacher in Blossom Matriculation School, No 2/723, MM Nagar Mookandapalli, Hosur-635126. I would like to express my sincere gratitude to my institution St Joseph's College of Arts and Science for Women, Mookandapalli, Hosur for providing us With this opportunity to explore our skills and to gain knowledge about different methods of teaching the English language.

### **DESCRIPTION OF SCHOOL:**

The Institution where I completed my internship was Blossom Matriculation School ,The school where I interned is a public elementary school located in [City, State]. It has a student body of over 500 students and a staff of over 100 teachers and staff members. The layout and design of a facility contributes to the place experience of students, educators, and community members. Depending on the quality of its design and management, the facility can contribute to a sense of ownership, safety and security, personalization and control, privacy as well as sociality, and spaciousness or crowdedness.

### **MY EXPERIENCE:**

The internship period was from 14.06.2023 to 28.06.2023. I interned at the school for 15 days during the semester. During my internship, I had the opportunity to observe and assist teachers in their classrooms. I also had the opportunity to plan and deliver lessons to students. I learned a great deal about teaching during my internship. I learned the importance of patience, creativity, and flexibility in the classroom. I also learned the importance of building relationships with students .

### **SCHOOL ACTIVITIES:**

In addition to the regular academic classes, the school offers a variety of extracurricular activities, including sports, clubs, and arts programs. I had the opportunity to participate in some of these activities during my internship. I enjoyed participating in the school activities. It gave me a chance to get to know the students better and to see them in a different setting.

### **MORNING ASSEMBLY:**

"Prayer-the key to all the treasures of this life and the hereafter." The assembly is used to share announcements, celebrate student accomplishments, and promote school spirit. I enjoyed the morning assembly. It was a great way to start the day to get to know the students better. Morning School Assembly provides a platform for students to showcase their talents and abilities and directs them towards their future goals. School morning assembly also acts as a medium of cultural transmission and helps to foster a healthy school culture.

### **INTERSHIP EXPERIENCE:**

My 15-days internship as a teacher was an eye-opening experience. I learned a great deal about teaching and about myself. I am grateful for the opportunity to have interned at the school and I am excited to continue my journey in education. I learned more than I ever expected. As my internship draws to a close and I reflect back on all I have learned, I realize what an excellent experience this has been. I gathered much knowledge in the classroom, but a hands-on approach has been invaluable. It has served as a beneficial ending to my formal education.

### **CONCLUSION:**

I believe that my internship experience has prepared me well for a career in teaching. I am confident that I have the skills and knowledge necessary to be an effective teacher. I am excited to start my teaching career and to make a difference in the lives of students.

During my internship, I have learned about various teaching methods .

#### **SCHOOL ACTIVITIES:**

As a trainee teacher I played a role teaching my poem – "True growth", many activities were organized to bring out the talents of the students, which ended up in good communication skills among themselves.

#### **MORNING ASSEMBLY :**

"When you can't put your prayer into word god hears your heart". The morning assembly was held every day and there was choir to sing and lead the students into prayer. Other activities like news reading, facts reading, speeches were being held. The assembly was really inspiring and disciplined the students to perform well.

**INTERNSHIP EXPERIENCE:**

The internship experience was great. The goal of this internship was to gain experience at teaching and to engage in critical reflection as we create meaning out of our experience and attempt to discover our own voices and identities as teacher. The staff members in the school were supportive and they encouraged me to complete the internship in a good way. The remarkable experience was taking classes to the students and preparing the lesson plans. On the whole, I gained some knowledge on teaching methods.

**CONCLUSION:**

I acknowledge the importance of training and concede that it has changed me as a skillful tutor. Through this internship, the students gained knowledge in the area of poem – "True growth". Students learnt how to put words together to form meaning, context and also how to choose the right words to create imagery and effect.

## **INTERNSHIP REPORT**

### **ACKNOWLEDGEMENT**

**TITLE:** Active Voice and Passive Voice

#### **Hints development**

I worked as an English Teacher in Blossom Matriculation School, 2/737 MM Nagar, Mookandapalli, Hosur-635126. I would like to express my sincere gratitude for St. Joseph's College of Arts and Science for Women, Hosur. I cannot express how grateful I am for this opportunity. Many thanks for giving me the opportunity.

### **DESCRIPTION OF SCHOOL**

The Institution where I completed my Internship was Blossom Matriculation School. The school is located in a safe environment for students. It is an effective school which focuses on better learning of every child by offering a healthy and respectful school environment for teacher and student interaction.

### **MY EXPERIENCE**

The internship period was from 14.06.2023 to 28.06.2023. Each day was a great experience and in the beginning, it was hard to guide the students. Later I learned the way of good teaching. It was ended with my best experience.

### **SCHOOL ACTIVITIES**

As a trainee teacher I played a role in ingraining the knowledge on grammar. Many assignments were given to bring out the talents of the students which ended up with good experience and practice for the students. The school gave many opportunities for the students to execute their talents in various fields and in extra curricular activities also.

### **MORNING PRAYER**

Morning assembly was the best way to start our day. It gives us peace and positive energy. It helps to strengthen the way a school works. It also helps students to gather a lot of energy to do well and be good in their day. The school assembly started with bible reading, prayer, Interesting facts, moral values, News reading, school anthem and concluded with the national anthem. It inspired the students to keep the good spirit and positive attitude for whole day.

### **INTERNSHIP EXPERIENCE**

The internship experience was very wonderful. The aim of this internship was to gain experience at the teaching level and to gain knowledge. The staff members in the school were friendly, supportive and they encouraged us to complete the internship in a favorable way. The prominent experience was taking classes to the students and preparing lesson plans. On the whole of 15 days internship program I have gained some knowledge in teaching and it was a good experience. As a trainee I have taught the students how to convert Active voice into Passive voice and also the Hints development. I understood that there should be a good interaction among the students and teachers. Assignments helped students to practice perfectly and had a chance to clarify their doubts.

### **CONCLUSION**

I acknowledge the importance of training and concede that it has changed me as a good mentor. Through this internship, the students gained knowledge in the area of Active voice and Passive voice and Hints development. They started using it in their everyday lives to enrich their skills.

### **MY EXPERIENCE:**

The internship period was from 14.06.2023 to 28.06.2023. The first day of my internship was filled with nervousness and anxiety . I was able to know about the students and developed myself to teach the students by using different tactics. I have learnt that there must be a good relationship between *teachers and* the students.

### **SCHOOL ACTIVITIES:**

The students were made to narrate the stories and conducted games like asking quiz type questions related to the topics I have taught them, which helped *them* to recall all the points. I have taught the students as per their mind set which made the learning easier to them .

### **MORNING PRAYER :**

"God speaks in the silence of the heart. Listening is the beginning of prayer".

The morning assembly in the school was quite effective because of their choir performance. The school assembly started with prayer, thought, moral values, school anthem and ended with national anthem. It inspired students to be active and attentive the entire day.

### **INTERNSHIP EXPERIENCE:**

The internship experience was extraordinary. By teaching the students I learnt several *teaching* strategies. I have seen abundance of personal growth through this experience. I gained experience by teaching the students, *learned* about instructional policies and administration, and *got* mentored by professionals in teaching.

### **CONCLUSION:**

The work experience that I encountered during this internship period helped me to develop communication skills and learn about the Strategies to be used while teaching to the students. But the overall experience was positive and everything I learned will be useful for my future career in this field.

### **ACKNOWLEDGEMENT**

**TITLE:** Letter Writing

Gerund and Infinity

I worked as an English teacher in Blossom Matriculation School, No. 2/737, MM, Nagar, Mookandapalli, Hosur-635126. I would like to express my sincere gratitude to my institution St. Joseph's College of Arts and Science For Women, Mookandapalli, Hosur for providing us this opportunity to explore our skills and to gain knowledge about different methods of teaching the language.

### **DESCRIPTION OF SCHOOL:**

The institution where I completed my internship was Blossom Matriculation School. The school is located in a safe environment with good infrastructure facilities like pure drinking water and a audio-video platform that helped the students in understanding their concepts effectively. The source of drinking water in the school is tap water and it is functional. The school has a library which consists of 2000 books .

### **MY EXPERIENCE:**

The internship period was from 14.06.2023 to 28.06.2023. Each day was a great experience and in the beginning, it was hard to understand the behavior of the students. Later some worksheets were given for a better understanding of the students. I experienced and learned to gain knowledge out of simple things. Also I have learned how

to teach and interact with the students. I was excited and felt nervous for the first day of my training but the teachers in that school made it comfortable and helped me to come out of the nervousness.

### **SCHOOL ACTIVITIES:**

As a trainee teacher I played a role in instilling the grammar(gerund and infinity , letter writing). Many assignments were given to bring out students talents which ended up in a good experience and practice among themselves. The institution had provided many opportunities to students to execute their talents in various fields and in extra curricular activities.

### **MORNING PRAYER:**

"A day without prayer is a day without blessing, and a life without prayer is a life without power". The morning assembly in the school was impressive because of the choir's performance. It started with bible reading, prayer, thoughts, moral values, school anthem and concluded with the national anthem. It inspired students to keep the good spirit and positive attitude for a whole day.

### **INTERNSHIP EXPERIENCE:**

The internship experience was so great. The goal of this internship was to gain experience at the teaching level and to gain knowledge in managing the students. The staff members in the school were so friendly, supportive and they encouraged us to complete the

internship in a good way. The prominent experience was taking classes to the students and preparing lesson plans. On the whole in the 15 days internship program I have gained some knowledge about teaching methods . As a trainee I have taught the students how to write letters in both the types formal and informal methods. I understood the importance of good interactive sessions among the students and teachers. Assignments helped students to practice perfectly and clarify their doubts.

### **CONCLUSION:**

I acknowledge the importance of training and concede that it has changed me as a good mentor. Through this internship, the students gained knowledge in the areas of letter writing and gerund and infinity a part of grammar which developed their writing skills .

### **DESCRIPTION OF SCHOOL:**

The institution where I completed my internship was Blossom Matriculation School. This school is located in a peaceful environment with good facilities like pure drinking water, library, play ground, pre primary section and an audio visual platform that helps students' social behaviour.

### **MY EXPERIENCE:**

The internship period was from 14.06.2023 to 28.06.2023. Each day was a great experience and I learned new things. In the beginning it was very hard to understand the students. Many competitions were conducted to the students for better understanding of the concept.

### **SCHOOL ACTIVITIES:**

As a trainee teacher I played a role in enhancing students' skills. Many interactive sessions and games were conducted in order to make the students understand the topic. Some events were organised which made the students to gain knowledge in techniques involved in reading and grammar.

### **MORNING ASSEMBLY:**

"Through prayer we should talk with God and get his direction for our lives." The morning assembly is very important in school because of the prayer song which gives good relaxation to the students. The prayer song by the choir made everyone to keep up a positive attitude.

### **INTERNSHIP EXPERIENCE:**

The internship experience was great. The goal of this internship was to gain experience at the teaching level and to gain knowledge. And I experienced new things which paved a way to clear my misconceptions. The staff members in the school were so supportive and they all encouraged us to complete the internship in a good way. The prominent experience was taking classes with the students and preparing the lesson plans. On the whole, I gained some knowledge of teaching methods.

### **CONCLUSION:**

I acknowledge the importance of training and concede that it has changed me as an excellent tutor. Through this internship, the students gained knowledge in the areas of supplementary and grammar (If clauses). They started using in their everyday lives to enrich their language.

### ACKNOWLEDGEMENT

#### TITLE : ARTICLES AND SPOKEN ENGLISH

I worked as an Intern teacher for English in Blossom Matriculation School , No. 2 / 737, MM nagar, Mookandapalli , Hosur – 635126. I would like to express my sincere gratitude to my institution St Joseph's College of Arts and Science for Women , Mookandapalli, Hosur for providing us with the opportunity to explore task skills and to gain knowledge about different methods of teaching English as a language.

#### DESCRIPTION OF SCHOOL :

The institution in which I completed my Internship was Blossom Matriculation School. The school was located in a safe environment with good infrastructure facilities with spacious classrooms. There was a clean drinking water system with a audio- visual platform for the students to perform well in their studies.

#### MY EXPERIENCE :

The internship period was from 14.06.2023 to 28.06.2023. Every single day in the school was an experience for me though it was not easy to understand the students but being with them everyday and also by conducting various activities during my classes helped me to understand them and even get closer to them. This helped me to experience a new way of teaching and I gained some knowledge on how to teach among students.

#### SCHOOL ACTIVITIES :

As an Intern teacher, I taught the students about articles and also about the basic spoken English rules . To teach these many activities were conducted and the talents of the students were also recognised and doing so the students ended up having different skills and were active throughout the class.

#### MORNING ASSEMBLY :

Prayer is the way to communicate with God, and in the school the students begin the day by prayer. In the morning assembly there was singing from the choir and musical instruments were used which felt divine everyday. There was an assembly where moral values and thoughts about daily happenings were said and also the morning assembly ended with the national anthem. This activity of the school inspires the students to be disciplined and to be active the whole day.

### **INTERNSHIP EXPERIENCE :**

The experience I gained through this Internship was really helpful and it allow to expand my knowledge in the teaching career . The real goal of internship was to allows us to gain experience and knowledge practically the school in which I went as an intern was also very supportive and increased me to complete the internship in a good way everyday was a new experience and I learnt something like to make lesson plans to communicate with students and understand this psychological behaviours overall it was an experience which allowed me to see further.

### **CONCLUSION :**

I acknowledge the importance of training and conclude that it has changed me as a good tutor. Through this internship the students gained knowledge in the area of articles and spoken English and they started using it in their everyday life to enrich the language and learn.

## INTERNSHIP REPORT

### ACKNOWLEDGEMENT

TITLE : POEM:PEEPERS

SUPPLEMENTARY READER:THE NEW START

I worked as an English Teacher in Blossom Matriculation School, 2/737 MM Nagar , Mookandapalli ,Hosur – 635126. I would like to express how grateful I am for this opportunity to explore our skills and to gain knowledge about different methods of teaching the English language.

### DESCRIPTION OF SCHOOL

The Institution where I completed my Internship was Blossom Matriculation School.It is located in a safe learning environment for students.All the classrooms are in good condition and the school has a separate room for Head master/Teacher.The school has a library and has 2000 books in its library . The school provides the students with computer aided learning lab and extra classrooms for curricular activities.

### MY EXPERIENCE

The Internship period was from 14.06.2023 to 28.06.2023.Each day in the school was wonderful . I stayed with wonderful teachers and worked with amazing students. I was also able to gain knowledge and learned some new skills.

### SCHOOL ACTIVITIES

As a trainee teacher I played a role in teaching my knowledge on the poem and supplementary reader and enhancing the students .Many assignments and games were conducted to bring out the talents of the students which ended up in good experience and practice among themselves.The school gave many opportunities to the students to execute their talents in various fields and extra curricular activites.

### MORNING PRAYER :

"Prayer is not for someone to listen, but it is to strengthen your faith in God."

Morning assembly was the best way to start the day with peaceful mind and with full of positive energy.It is prayer that resonates with you to speak from your heart and it also helps students to gather a lot of energy to do well and be good in their day.

### **INTERNSHIP EXPERIENCE**

The internship experience was useful and wonderful. The goal of this internship was to gain experience at teaching and to create opportunities for career exploration and development. The staff members in the school were friendly, supportive and they encouraged me to complete the internship in a favorable way. On the whole in the 15 days of the internship program I have gained some new skills of teaching methods and it was a good experience. Students were made to retell the poem with a proper rhythm to enhance their language and pronunciation.

### **CONCLUSION:**

I acknowledged the importance of training and concede that it has changed me as a good mentor. Through this internship the students gained knowledge about the poem, peers and supplementary reader, the new start and they started improving their learning.
