INTERNSHIP REPORT

ACKNOWLEDGEMENT

First, I would like to thank the Almighty for providing me with everything that I required in completing this project. I acknowledge with thanks the kind patronage, loving inspiration and timely guidance which I have received from Mr. S. S. RETHISHVAAR, DATA ANALYST Boston IT Solutions India. I extend my thanks to my parents and well-wishers for their constant support and encouragement.

EXECUTIVE SUMMARY

The via portion of my under-graduate course is drawn from the 1st day internship program Boston Company (Bachelor in Computer Application). Mainly due to the fact that most students start their desired industrial field without having any prior job experience. The internship program enhances the depth of learning.

SUMMARY

I worked as an intern for the company that delivers finished Full Stack Development.

LEARNING

I had exposure to numerous project components throughout this assignment. I first learned to create a website, logos and how to publish a website. We designed our own web site entitled ONLINE FASHIONABLE E-COMMERCE DRESSES. I finally experienced more about website development professionally.
