INTERNSHIP REPORT

ACKNOWLEDGEMENT

First , I would like to thank the Almighty for providing me with everything that I required in completing this project. I acknowledge with thanks the kind patronage, loving inspiration and timely guidance which I have received from Mr. S. S. RETHISHVAAR, DATA ANALYST at Boston IT Solutions India. I extend my thanks to my parents and well-wishes for their constant support and encouragement.

EXECUTIVE SUMMARY

The vial portion of my under-graduate course is drawn from the 1st day internship program at Boston Company (Bachelor in Computer Science). Mainly due to the fact that most students start their desired industrial field without having any prior job experience. The internship program enhance the depth of learning. Our interactions in the sector began with quickly moving consumer items and current trends.

SUMMARY

I worked as an intern for the company that delivers finished Full Stack Development.

LEARNING

I had exposure to numerous project components throughout this assignment. I first learned to create a website, logos and how to publish We design our own product store details like Advanced mobile store, E-fresh products, Event management, food delivery, etc…. I finally experienced more about website development professionally.
