**Place: Wonderla amusement park, Bengaluru**

design and operation of amusement park rides.

The department of Mathematics organized an educational trip on visiting Wonderla. The educational excursion undertaken by a group of mathematics students to Wonderla, an amusement park. The objective of the trip was to explore and apply mathematical concepts in real-life scenarios, fostering a deeper understanding of mathematical principles beyond the traditional classroom setting. Wonderla, a popular amusement park, was chosen as the destination for this educational trip due to its diverse range of rides and attractions. The park provided an ideal environment for students to witness and analyse mathematical concepts in action.

The main objectives of the trip were Apply mathematical concepts learned in the classroom to real-life situations. Understand the role of mathematics in the

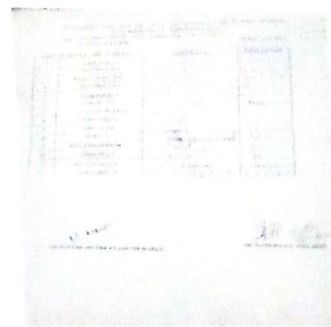

Foster teamwork and collaboration through group activities and problem-solving. Several mathematical concepts were explored during the trip. Analyzing the shapes and structures of various rides. Understanding the principles of motion, velocity, and acceleration on roller coasters. Collecting data on ride wait times and analyzing the distribution. Exploring the mathematical functions underlying ride movements. Activities, Geometry Hunt, Students identified geometric shapes present in different rides and structures. Experiment, Conducting experiments to measure and analyze the forces acting on rides. Collecting data on ride wait times

and creating statistical graphs. Creating mathematical models to simulate ride movements. Learning Outcomes, Practical Application. Students gained insight into how mathematical concepts are applied in real-world scenarios. The trip highlighted the interdisciplinary nature of mathematics, connecting it with physics, engineering, and statistics. Teamwork, Collaborative activities enhanced teamwork and problem-solving skills. Challenges Faced , Data Collection.

Some challenges were faced in collecting accurate data due to the dynamic nature of the amusement park environment. Time Constraints, Limited time posed challenges in conducting in-depth experiments. Recommendations, Extended Duration , Future trips could benefit from an extended duration to allow for more comprehensive exploration. Pre-Visit Preparation. Providing students with background information before the trip could enhance their understanding.

The Wonderla trip proved to be an enriching experience for mathematics students, offering a unique perspective on the practical applications of mathematical concepts. The integration of fun and learning made the excursion a memorable and valuable educational endeavor.

## WONDERLA TOUR REPORT.

The one day trip planned by our department to Wonderla, Bangalore, was a memorable and enjoyable trip with friends and classmates, that became a beautiful memory for us. Both the ride sides and day sides are very good but the budget of food items available are too high. It was worth the money, but it was difficult to complete and cover all the sports and rides in a single day. It was a great place to have fun with our friends but it was too crowded. Water park was good and well maintained. I thank my college for this trip.

## WONDERLA TOUR REPORT

It's been a wonderful trip journey for me. I enjoyed every rides with my friends. It's my first time, experiencing adventure rides. I loved it and I want to visit the place again, because I want to feel the joy again. I liked the food provided there. The place is so hygiene and I didn't felt any discomfortness which was my reason to be happy all the time. I enjoyed both water rides and dry games. I was afraid to leave my

belongings but it's so safe. None  
of my belongings were not ruined.

I thank my college to arrange  
this tour. I had spent one of  
my happiest day in there. (Bangalore).  
I will visit again with my family.

Wonderla is part of a chain of amusement parks with locations in Kochi and Hyderabad, making it a prominent player in the Indian amusement park industry.

#### **Location and Accessibility:**

Situated approximately 28 kilometres from the city centre, Wonderla is strategically located for both local and out-of-town visitors. The park's address is Mysore Road, Bengaluru, and Karnataka. The accessibility of the park is facilitated by well-connected road networks, and visitors can easily reach the destination via private or public transportation.

### **Attractions:**

Wonderla is renowned for its diverse range of attractions that cater to different tastes and preferences. The park is divided into multiple zones, each offering a unique set of experiences.

**Land Rides:** Wonderla features an impressive collection of land rides, ranging from mild to extreme thrills. The Recoil, Insanity, and the Maverick are among the popular rides that provide an adrenaline rush for adventure enthusiasts.

**Water Rides:** The water attractions at Wonderla are a refreshing escape, especially during the hot Bangalore weather. From the lazy river in the Wave Pool to the heart-pounding excitement of the Hurricane, the water rides are designed to offer a perfect blend of fun and relaxation.

**High Thrill Rides:** For those seeking an extra dose of excitement, the high thrill rides at Wonderla delivers an unforgettable experience. The Flash Tower, Equinox, and Techno Jump are some of the rides that cater to the thrill-seekers' appetite.

**Kiddie Rides:** Wonderla is family-friendly, and the park ensures that even the little ones have a memorable time. The Kiddie's Corner features age-appropriate rides, creating an enjoyable environment for children.

**Entertainment Shows:** In addition to the exhilarating rides, Wonderla offers captivating entertainment shows. From live performances to musical extravaganzas, visitors can take a break from the rides and indulge in the diverse entertainment options available.

### **Marketing and Promotions:**

The success of Wonderla is not only attributed to its attractions but also to the strategic efforts of the Marketing and Promotions Department. This department handles advertising campaigns, social media engagement, promotional events, and collaborations to attract a diverse audience. Marketing strategies focus on creating awareness, building brand loyalty, and promoting special events and offers.

### **Maintenance and Engineering:**

Behind the scenes, the Maintenance and Engineering Department ensures the seamless operation of rides and infrastructure. This includes routine inspections, preventive maintenance, and the timely resolution of technical issues. The department's meticulous approach contributes to the longevity and reliability of Wonderla's attractions.

### **Environment and Sustainability:**

In recent years, there has been a growing emphasis on environmental sustainability, and Wonderla is no exception. The Environment and Sustainability Department focuses on eco-friendly initiatives, waste management, and energy conservation. The park has implemented measures such as rainwater harvesting, solar power utilization, and waste segregation to minimize its ecological footprint.

### **Hospitality and Guest Services:**

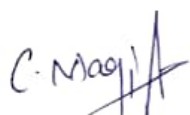

The Hospitality and Guest Services Department plays a pivotal role in ensuring visitors have a comfortable and enjoyable experience. From welcoming guests at the entrance to assisting with queries, this department focuses on customer satisfaction. Trained staff members are stationed throughout the park to provide information, first aid, and assistance, contributing to Wonderla's reputation for excellent customer service.

### **Food and Beverage Department:**

Wonderla offers a diverse culinary experience through its Food and Beverage Department. Numerous food stalls, restaurants, and cafes are strategically placed throughout the park, providing visitors with a variety of cuisines and refreshments. The department is responsible for maintaining hygiene standards, quality control, and offering a menu that caters to diverse tastes and preferences.

### **Entertainment Department:**

The Entertainment Department at Wonderla is dedicated to providing a lively and engaging atmosphere for visitors. This includes live performances, shows, parades, and character meet-and-greets. The department collaborates with artists, choreographers, and event planners etc.

## Feedback

Overall it was a good place to have fun with friends. Rides are enjoyable. Food is average. please do NOT sit on the rollercoaster. The Strap on belt was very uncomfortable and squeezed our neck and ears. When the ride took off and went through its twists and turns, our heads were forced to hang upside down for sometime, followed by a very painful jerk which resulted in muscle spasms in the whole body.

Musical fountain, crazy car and virtual reality are most famous among all. It is a good place for people with our friends and family they will give you all security for childrens. Waterpark is also very clean and Properly maintained and rides full on - fun.

**ST. JOSEPH'S COLLEGE OF ARTS AND SCIENCE FOR WOMEN, HOSUR**  
**DEPARTMENT OF CHEMISTRY**

On May 4, 2022 Department of Chemistry organized an exciting trip to Wonderla Bangalore, an acclaimed amusement park known for its thrilling rides and attractions. The trip was attended by 35 enthusiastic students and supervised by one dedicated staff member. We arrived at Wonderla Bangalore at 10:00am and the entrance process was smooth and efficient. The park staff welcomed our group, and the students eagerly awaited the adventure-filled day ahead. The amusement park lived up to its reputation, offering a diverse range of attractions suitable for all tastes and preferences.

**Some of the highlights of the trip included:**

Students enthusiastically participated in high-speed roller coasters and gravity-defying rides, experiencing an adrenaline rush like never before.

**Water Park Excitement:** The water rides provided a refreshing break from the Bangalore heat, with laughter and joy echoing through the water park section.

**Group Activities:** Several team-oriented rides promoted group dynamics, encouraging teamwork and enhancing the overall bonding experience.

**Learning and Bonding**

The trip served as an excellent opportunity for both learning and bonding:

**Educational Value:** The physics of amusement park rides provided a real-world application of classroom concepts, making learning engaging and practical.

**Team Building:** Group activities and rides encouraged teamwork and collaboration, fostering a sense of unity among the students.

**Recreational Break:** The trip offered a well-deserved break from academic routines, allowing students to relax and recharge, enhancing their overall well-being.

### Conclusion

The college trip to Wonderla Bangalore on May 4, 2022, was a resounding success. The combination of thrilling rides, team activities, and educational experiences made it a day to remember. The students returned with smiles on their faces, and the supervising staff member ensured the trip ran smoothly, ensuring the safety and enjoyment of all participants. Such outings contribute significantly to the holistic development of students, providing a perfect blend of entertainment, education, and camaraderie.
