Report on "INDUSTRIAL VISIT" on 25th September, 2019.

REPORT:

We are glad to present a report on "INDUSTRIAL VISIT" on 25th of September, 2019. All the students of I & II M.COM along with 2 staff members of St. Joseph college of Arts and Science for Women, visited Premier SPG and WAG Mills PVT LTD.

Date: 25/09/2019

Place: Premier SPG and WAG Mills PVT. LTD., Hosur, Tamil Nadu.

Students: 31 students from I and II M.Com.

Faculties: Prof. Mrs. M. Priya and Prof. Mrs. G. Rajeswari.

Brief Description of Premier SPG and WAG Mills Pvt. Ltd.

The company established in 2016, India Premier Spg&Wvg Mills Pvt Ltd has gained immense expertise in supplying and trading of Apparel fabric, elastic fabric, etc. With export revenues of over USD 150 million, Premier Mills is a dominant player in the global textile market today, utilizing cutting edge technology, high grade raw materials and stringent quality control.

We left our college at 9.30 a.m and premier mill by reached 10.30 a.m . We travelled in a comfortable bus and two teachers.

Premier Mill uses the finest raw cotton chosen from Egypt, USA, and India. Premier is also a Supima licensee and its products carry the Oeko-Tex certification.

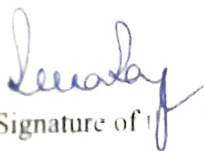

During the visit students were able to see the real-world manufacturing process in the company.

Supervisor accompanied us in the briefly about the mill history, current status and future plan.

Is a composite textile mill with spinning, weaving and finishing under the same roof. We manufacture 100% cotton yarn, 100% polyester yarn, yarn dyed shirting, double fabrics, jacquard fabrics, leno fabrics. We have state of the art technology in spinning, weaving and wet processing also detail explained.

Industrial visit : feedback.

An Industrial visit was organized in our Commerce department premier mill. This was the first time I had been to the industrial visit. It was beneficial for me and I got practical knowledge as to how the Company functions. The trip was awesome and I enjoyed this trip thoroughly.

The visit was very informative and eye opening. we were able to see first hand how various industries function and learned about the processes involved. The visit provided valuable insights and that will be useful in our future careers. Overall it was a great learning experience.

Ajayalakshmi/

Industrial Visit Feedback

On the recent industrial visit to a company, the experience we expected provided us. This exposure our understanding of the practical aspects of our chosen fields. This visit, proved to be an invaluable learning opportunity.

This Industrial visit would help manage expectations and ensure a more positive and enriching experience for students. We value the effort to expose us a real-world scenarios look forward to more engaging and insightful Industrial visit in the future.

Thank you for facilitating these valuable experiences that bridge the gap between theory and practice.

**Report for Industrial Visit to Visvesvaraya Industrial and Technical science Museum
and C-DAC, Bangalore**

The Industrial visit was organized by ComSTA, Department of Computer Science on 10th October 2019 to Visvesvaraya Industrial and technical science museum, Bangalore. Around 50 students and 5 staffs of Computer Science department participated.

Visvesvaraya Industrial and Technological Museum, Bangalore (VITM), a constituent unit of National Council of Science Museums (NCSM), Ministry of Culture, Government of India, was established in memory of Bharat Ratna Sir M. Visvesvaraya. A modest building with a built-up area of 4000 sq. mtrs., was constructed in the serene surrounding of the Cubbon Park, housing various industrial products and engines, which was opened by the first Prime Minister of India, Pandit Jawaharlal Nehru on 14.07.1962.

VITM has a Dinosaur Corner with mobile app facility a 1:1 scale replica of the Wright Brothers Flyer Kitty Hawk along with Flyer Simulator providing an immersive and entertaining experience to the visitor. The Science on a Sphere at VITM, the only one in Asia, is a large visualization system that uses multimedia projections to display animated data on the sphere converting it into an immersive animated globe showing dynamic, animated images of the atmosphere, oceans and land area of a planet, combined with narration. VITM has 7 permanent exhibition galleries titled Engine Hall, Fun Science, Electrotechnics, Space Emerging Technology in the Service of Mankind, Biotechnological Revolution, BEL Hall of Electronics and Children Science.

FEEDBACK

- * Excellent Place for Science enthusiasts.
it is not just a museum but it is
an educational hub where you can
try the things yourself.
- * Not Just the Kids but adults also
enjoy the museum.
- * It has models as simple as a
Simple lever to complex engines, Chandrayan
Modules, nuclear reactors and Many more.
- * Better to visit in the weekend. It
was overcrowded.
- * Better to visit in the week days
to enjoy the museum.

Report for Industrial Visit to Electricity Centre NTTE, Bangalore

**INDUSTRIAL VISIT
BY
DEPARTMENT OF PHYSICS**

DATE: 12.12.2019

**VENUE: ELECTRICITY
CENTRE, NTTE,
BANGALORE**

St. Joseph's College of Arts and Science for Women organized an industrial visit on 12.12.2019 to the Electricity Centre, NTTE, Bangalore for the students of the Department of Physics. We started travelling from the college campus at 8.00 am via bus, total of 43 students and two faculty were there on the journey.

The NTTE Electronic City is a renowned institution that focuses on technical training and skill development in the field of electronics and manufacturing. The centre is

equipped with state-of-the-art facilities and offers a comprehensive learning environment.

Students gained practical exposure to the entire electronics manufacturing processor, from design to production. Witnessing the integration of automation and robotics in manufacturing processor enthralled students understand of industry trends and advancements.

Feed back on Electronic city Centre.
- NTTF.

The hostel facility is provided by the College as well as the food is also good. we went to Industrial visits to Electronic city Centre, it was good experience and useful and Informative. It is nice place to visit. I enjoyed throughout the day.

Thank you for giving this opportunity ..

feed back on NTTF!

It has three floors dedicated for different fields of science. All of the models are in working condition. It has models as simple as a lever to complex engines, Chandrayaan, models nuclear reactors and many more. The highlight of the visit was the opportunity to participate in some of the experiments is a nice place to enhance our knowledge about space, It is a good initiative to create scientific awareness and a thinking mindset to college students.
