

**INTERNATIONAL CONFERENCE ON MULTIDISCIPLINARY APPROACHES  
IN Engineering, Management & Science  
(EMS-2022)**

**ISBN: 978-93-91535-23-0**

**Organised by: SRI S.RAMASAMY NAIDU MEMORIAL COLLEGE  
(AFFILIATED TO MADURAI KAMARAJ UNIVERSITY)**

**Date of Conference: 04th March 2022**

**INDEX**

| <b>S. No.</b> | <b>Paper ID</b> | <b>Paper Title</b>                                                                                                                 | <b>Author</b>                                                | <b>Page No.</b> |
|---------------|-----------------|------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------|-----------------|
| 1             | S525            | Study on Activated Carbon Adsorbent Made from Drumstick Seeds Removes Hexavalent Chromium                                          | Arshi Khan, Dr. Pankaj Singh, Dr. Kapil Malviya              | 01-10           |
| 2             | S526            | ETABS Software used to investigate and analyze the scope of a tuned liquid damper in reducing vibration for a tall steel structure | Mahesh Mohan Pardeshi, Dr. G. Maniknandan, Dr. Kapil Malviya | 11-17           |
| 3             | S529            | RASPBERRY PI 3 MODEL B+ BASED WEATHER FORECASTING USING INTERNET OF THINGS (IoT)                                                   | S. Srinidhi, G. Senthilvelan                                 | 18-32           |
| 4             | S535            | Reactive Silencer for Noise and Vibration Reduction: A Schematic Review                                                            | Shital R. Khaire, Dr. Anil S. Maheshwari                     | 33-41           |
| 5             | S536            | "Straightening machine: A Review"                                                                                                  | Sharma Tanmaymani K, Maheshwari Anil S                       | 42-47           |
| 6             | S539            | Study on Data Analysis of Postal Section Routine and its improvement using Machine learning                                        | Rajasekaran.T.A, Vijayalakshmi. P, V.Rajendran               | 48-58           |
| 7             | S542            | Impact of IOT in Agriculture: Automatic Soil Moisture, Temperature and Humidity Monitoring System using Node MCU                   | Mrs. D. Leela Dharani, Dr. G. Reshma, Mrs. K. Swarupa Rani   | 59-72           |
| 8             | S543            | COMPARISON OF PASSENGER FLOW PREDICTION ON TRANSIT BUSES USING DWT-LSTM APPROACH OVER ARIMA MODEL                                  | Dr. G. Reshma, K.Swarupa Rani, D.Leela Dharani               | 73-82           |

|    |      |                                                                                                                                                        |                                                                     |         |
|----|------|--------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|---------|
| 9  | S544 | NEWS CLASSIFICATION USING MACHINE LEARNING ALGORITHM                                                                                                   | Mrs. K. Swarupa Rani, Mrs. D. Leela Dharani, Mrs. G. Reshma         | 83-89   |
| 10 | S545 | A SURVEY ON QUANTUM MACHINE LEARNING                                                                                                                   | Dr. A. Azhagammal, Mrs. K. Meena, Dr. J. Jebakumari Beulah Vasanthi | 90-94   |
| 11 | S547 | DEEP LEARNING APPROACHES, APPLICATIONS AND CHALLENGES IN HEALTHCARE SYSTEM                                                                             | Dr. A. Azhagammal, S. Rajeashwari                                   | 95-108  |
| 12 | S552 | Work Place Stress with in Employees                                                                                                                    | Dr. Jitendra Singh, Prof. (Dr.) Chandra Prakash Verma, Prerna Yadav | 109-117 |
| 13 | S560 | V4 -Vertex Magic labeling for Hexagonal Mesh and Honeycomb Graph                                                                                       | S. Kavitha, V.L. Stella Arputha Mary                                | 118-129 |
| 14 | S563 | A Study of Project Managers' Competencies in Automotive Industry in India                                                                              | Harshil Wadhwana, Dr. Megha Shah                                    | 130-138 |
| 15 | S565 | A comparative study to investigate the effect of myofascial release technique versus cryotherapy for delayed onset muscle soreness in college students | Mallika Bitra, Preethi Rajesh, Annie Thomas                         | 139-145 |
| 16 | S556 | FIRST AID TREATMENT WITH MODERN TECHNIQUES                                                                                                             | Mr. Ajit Kumar                                                      | 146-148 |
| 17 | S572 | Applying Statistical Process Control for Improving Quality in SMEs                                                                                     | Bidyut Karmakar, Dr. Abhijit Chakraborty, Rajarshi Basu             | 149-156 |
| 18 | S514 | ADRL Cointegration Model of COVID-19                                                                                                                   | Rajarathinam A., Anju J.B.                                          | 157-175 |
| 19 | S588 | Optimal Extraction of Bioactive Compounds of the Ashwagandha                                                                                           | Sunita, Arun Kumar                                                  | 176-179 |
| 20 | S589 | DETERMINE THE OPTIMAL OPERATING POLICY CHARACTERISTICS OF QUEUEING SYSTEMS                                                                             | Neelam, Dr. Anjana Rajoria                                          | 180-180 |
| 21 | S614 | PHYTOCHEMICAL SCREENING OF BOTH MEDICINAL PLANT GYNANDROPSIS GYNANDRA L AND LUFFA CYLINDRICA (L.)                                                      | Laiphrakpam Geetamala Devi, Dr. Shagupta Rafat                      | 181-194 |

|    |      |                                                                                                                               |                                                         |         |
|----|------|-------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|---------|
| 22 | S615 | TO STUDY THE INFRARED, LASER RAMAN AND ELECTRONIC SPECTRAL STUDIES AND THERMODYNAMIC FUNCTIONS OF 2-CHLORO-6-METHOXY PYRIDINE | Oinam Dibeshwor Singh,<br>Prof. (Dr.) Shiv Barat Singh  | 195-206 |
| 23 | S616 | PHYSICO-CHEMICAL ANALYSIS OF SOIL AND PHYTOREMEDIATION STUDY                                                                  | Shairem Ibotombi Singh,<br>Prof. (Dr.) Shiv Barat Singh | 207-218 |
| 24 | S654 | Study of Ethical and Legal Issues in Human Resource Management                                                                | Vivek Naithani, Dr. Akhil Goyal                         | 219-229 |
| 25 | S658 | pwM+h O;olk; dh :ijs[kk ,ao l'kfädj.k ij dkedkth efgykvksa dk ,d v/;;u                                                        | Km Dolly,Dr Anita Verma                                 | 230-241 |
| 26 | S659 | A STUDY ON USAGE OF INTERNET BANKING SERVICE AND INTERNET BANKING ACCESS BY THE CUSTOMERS IN BANKING SYSTEM                   | Abhishek Bhattacharjee,Dr. Menuka Rani                  | 242-250 |
| 27 | S664 | AN ANALYSIS ON INDUSTRIAL TRAINING AND HOTEL INDUSTRY WITH SPECIAL REFERENCE TO LUXURY HOTELS OF MAHARASHTRA, INDIA           | Firdaus Sadaf Umar Khan                                 | 251-251 |
| 28 | S665 | AN ANALYSIS OF INDIAN LUXURY HOTELS THROUGH INVESTMENT PATTERNS (FDI) WITH SPECIAL REFERENCE TO MUMBAI: PRE PANDEMIC ERA      | Pranav Bhosale                                          | 252-252 |
| 29 | S668 | A STUDY ON INDIAN MUTUAL FUND SCHEMES                                                                                         | Mrs. JAYALAKSHMI ASB                                    | 253-259 |
| 30 | S669 | PROBLEMS FACED BY CUSTOMERS WHILE SHOPPING ONLINE                                                                             | Dr. D.BHUVANA                                           | 260-265 |
| 31 | S670 | Business Intelligence for e-commerce                                                                                          | Dr.P. Maithili                                          | 266-270 |
| 32 | S671 | GREEN MARKETING "IT'S IMPACTON GLOBAL MARKET"                                                                                 | Mrs. L.MANJULA,Ms. RUHITHA PARWESH                      | 271-278 |

|    |      |                                                                                                                         |                                       |         |
