### MEMORANDUM OF UNDERSTANDING / AGREEMENT

This Memorandum of Understanding (MOU) is made on this the <sup>31</sup> day, of July 2022 between  
St. Joseph's College of Arts & Science for Women, Mookandapalli, Sipcot,  
Hosur -635126.

And

JEPPIAAR INSTITUTE OF TECHNOLOGY, Kunnam, Sunguvarchatram, Sriperumbudur,  
Chennai- 631604.

## Objective of MoU

1. The purpose of this MOU is to provide students with Training & Certification on Data Mining specially in data mining on Python domain with the internationally recognized certification at a subsidized cost of Rs.1000 per student.
2. This MOU would facilitate to organize the workshops, seminars, demos and provide Value added training to all the students.
3. To create an awareness on the industry required skill set to enhance the employability of the students.

## About St. Josephs College of Arts & Science for Women, Hosur

St. Joseph's College of Arts and Science for Women was established in the year 2006 with the motto "Knowledge Purifies and Charity Enhances". It is affiliated to Periyar University, Salem and managed by the FSPM Sisters, Coimbatore.

We empower young women with knowledge, skills, holistic approach and enable them to face the present society. The college offers various UG, PG and Research courses with a strength of more than 2000 students. The study at St. Joseph's College will certainly fetch a joyful and memorable experience of escalation in the aesthetics of education and ethnicity provided by the multi-cultured and multi-faceted presence of faculty & students who are persistent with the quest for excellence in proficiency. It's quiet surroundings, comprising of architecturally designed buildings, playgrounds and lush greenery make it one of the most preferred destinations for the aspirants.

In today's era, the world anticipates a nourishing education. St. Joseph's College of Arts and Science for Women is a renowned educational family having the inclination to offer quality education to women. It carries a rich history, holding the pride of gaining a far-famed reputation under the Periyar University.

The Government order (G.O.No 272 dt 31.08.2006) for starting the Arts and Science College was issued and Rev.Sr. Mary Lucy Juliet (Sr. Rocha), a Retired Professor from the Department of Botany of Nirmala College, Coimbatore became the Principal in August, 2006.

The Management enforced to fulfill the long time plan of constructing a commodious auditorium. The building of the auditorium was approved by The Superior General, Very Rev Mother Celine Nirmala, Presentation

congregation, Coimbatore. On 20<sup>th</sup> April, 2016, the construction of the auditorium came to perfection with ardent design, equipped and furnished. St. Francesco Auditorium was inaugurated by His Excellency Most Rev Bishop Lawrence Pius, Bishop of Dharmapuri diocese. The noteworthy dignitaries were very Rev. Mother Celine Nirmala, Superior General, Presentation Congregation, Rev Sr. Antony Pushpam, Assistant Superior General, Rev Sr. Loraine, Provincial, dignitaries. Hosur.

### **About Jeppiaar Institute of Technology (JIT)**

Jeppiaar Institute of Technology ( A Christian Minority Institution) establishes in the year 2011 with the primary objective of rendering futuristic technical education with the perspective of Innovative, Industrial and Social application for the betterment of Humanity. Since its inception, Jeppiaar Institute of Technology propels relentlessly towards fulfilling its vision with the continuous support of our faculty and student community. Institution with extensive infrastructure stands out in Sriperumbudur for inculcating Self- Belief, Self- Discipline, Self- Respect.

Jeppiaar Institute of Technology is the first Institution in India to establish a laboratory with incorporation of "Innovative Cloud Computing Technology". All the classes are CAI (Computer Aided Instruction) enabled with wall mounted Multimedia LCD Projectors, to make full use of the modern teaching aids. Presently, the college provides SIX Professional Under- Graduate programs namely, B.E- Computer Science Engineering, Electronics and Communication Engineering and Mechanical Engineering; B.Tech- Artificial Intelligence and Data Science, Computer Science and Business Systems, Information Technology. Also, offer ONE Post-Graduate program- Master of Business Administration (M.B.A). Institution achieved ATAL Ranking of Institutions on Innovation Achievements, GOLD Rating in AICTE CII Survey, Times of India and India Today Rankings.

### **Commitments from St. Josephs College of Arts & Science for Women, Hosur as a Part of MoU**

1. Provide Adequate Infrastructure (Instructional rooms, Lab, Computer with Min. System Requirements etc.,) to Conduct Training inside the campus.
2. Approve Time Slot for Conducting Training inside the campus.
3. Allot Training Coordinator to Facilitate the Program

## Commitments from Jeppiaar Institute of Technology (JIT) as a Part of MoU

1. Provide Training with certification as per requirement and approval.
2. Conducting Seminars and Workshops on the basis of mutual discussion.
3. Will depute a Qualified and Certified Instructor to handle the program.

### MOU Effective Date

This MOU shall be in force for a period of **one year** from the date of signing and will be renewed / refreshed on mutually agreed terms and conditions.

This Memorandum of Understanding shall be effective from the date of signing by both parties.

This Memorandum of Understanding is made on Date : **31-07-2022**

## CURRICULUM FOR DATA SCIENCE WITH PYTHON

L T P C

1 0 2 2

### Course Objectives :

- To know the fundamental concepts of data science and analytics
- To learn various techniques for mining data streams
- To learn Event Modelling for different applications.
- To know about Hadoop and Map Reduce procedure

### UNIT I FIRST PRINCIPLES WITH PYTHON

(6)

What is Data science - Finding key Connectors-Modules-Functions-Exceptions-Lists-Tuples-Dictionaries-Sets-Control Flow-List Comprehension-Regular Expression-Functional Tools-enumerate-zip and argument unpacking-arguments

### UNIT II PYTHON NUMPY

(6)

Python Numpy Introduction -Importing/Exporting-Creating Arrays-Inspecting Properties-Copying/Sorting/Reshaping-Adding/Removing Elements- Analysis using Mean, Median, Mode, Standard Deviation Combining/Splitting- Indexing/Slicing/Subsetting- Scalar Math- Vector Math- Statistics

### UNIT III PANDAS FOR DATA ANALYSIS AND INFORMATION RETRIEVAL

(6)

Python Pandas Introduction-Pandas Environmental Setup-Introduction to Pandas Data structures: Pandas Basic Functionality, Creating New Row and Column in a Data frame, Data frame Slicing, Selecting and Extracting-Conditional Selections-Appling Functions. FuzzyWuzzy-Testing and Splitting of Data:80/20 Rule, Splitting, Assigning the Test Size, Applying Machine Learning.

### UNIT IV DATA VISUALIZATION

(6)

Introduction, Types of data visualisation, Data for visualisation: Data types, Data encodings, mapping variables to encodings, Visual encodings. Information visualization – Theoretical foundations – Information visualization types – Design principles - A framework for producing data visualization. Static Data Visualization – tools – working with various data formats.

## UNIT V MACHINE LEARNING

(6)

Introduction: to Machine Learning, Basic machine learning algorithms, Linear regression, SVM, Naive Bayes, Model, Selection, Decision Theory. Linear Models for Regression: Linear Basis Function Models, Bayesian Linear Regression. Learning – Types of Machine Learning – Supervised Learning – The Brain and the Neuron – Perspectives and Issues in Machine Learning Linear Discriminants – Perceptron – Linear Separability– Linear Regression.

**Total period: 30+15(Practice& project) = 45 Periods.**

**Course Outcomes :** At the end of the course student will be able to:

**CO1 :** Work with data analysis of Python and Numpy packages

**CO2:** Design efficient visualization for mining the data from large volumes

**CO3:** Work with different types of Visualization techniques

**CO4:** To Learn different Machine Learning algorithm for data analysis

Academic Year	2022-2023
Title of the course	Python Programming and Basics of Data Science
Course Duration	45 Hours
Date	22.11.2022
Resource Person	Dr. S. Shenbaga Ezhil, Professor and IQAC Coordinator, Jeppiaar Institute of Technology
Mode	Online
Students Participations	31
Staff Coordinators	Mrs. B. K. Jaleesha, Mrs. M. Shobanapriya

**Objective:**

"The Python Programming and Basics of Data Science' certificate course is meticulously designed to empower Undergraduate (UG) and Postgraduate (PG) mathematics students with the essential knowledge and practical skills required to excel in the ever-evolving fields of data science and computational mathematics.

**About the Resource Person:**

Dr. S. Shenbaga Ezhil is a distinguished academician and accomplished leader who plays a crucial part in the successful planning, organization, and execution of the certificate course on [The Python Programming and Basics of Data Science], ensuring its effectiveness and impact on participants.

Dr. Ezhil's expertise extends beyond the traditional classroom, encompassing innovative pedagogical approaches, curriculum design, and the integration of modern technology into education. Her dedication to creating a dynamic and engaging learning environment fosters the growth and development of students and professionals alike.

**Key Activities:**

- Course Introduction and Orientation
- Python Fundamentals
- Data Structures and Control Statements
- Functions and Modules
- Data Handling with NumPy
- Data Visualization
- Statistics and Probability Basics
- Mathematical Modeling
- Practical Projects and Assessments
- Certificate of Completion
- Feedback and Improvement

**Report about the Course:**

The process of obtaining permission to conduct the Certificate Course at Jeppiaar Institute of Technology, Chennai, involved a formal request initiated by the Head of the Department and directed towards the college's principal on 16<sup>th</sup> April 2022. This request laid the foundation for the educational endeavor that followed.

Under the auspices of a signed Memorandum of Understanding (MoU) and with the gracious permission of Jeppiaar Institute of Technology, Chennai, a transformative Certificate Course in Python Programming and Basics of Data Science unfolded. This immersive online program, spanning 45 hours from 1<sup>st</sup> September 2022 to 18<sup>th</sup> November 2022, attracted a cohort of 31 enthusiastic students from UG and PG. The course exposed to the dynamic realms of Python programming and data science, equipping with valuable skills and knowledge poised to make a substantial impact in academic and professional journeys.

The online format of the course brought together individuals from diverse backgrounds and geographical locations, enhancing the richness of learning experience. It required to adapt to virtual classrooms, collaborative online tools, and self-discipline to ensure that made the most of this opportunity. In retrospect, this format encouraged flexibility, time management, and effective communication.

The framing of the syllabus for the Certificate Course in Python Programming and Basics of Data Science played a crucial role in shaping the educational journey. Complex coding exercises and data analysis projects pushed the students to our limits, demanding critical thinking and problem-solving skills. However, the supportive network of both students and the faculty provided invaluable assistance, fostering an environment of cooperation and camaraderie.

The Certificates were issued to the students who successfully completed the course. These certificates served as tangible proof of their dedication, hard work, and newly acquired skills in the fields of Python Programming and Data Science.

## Feedback.

The python class is very useful. We learnt more about the foundations of python. The teaching was understandable and the notes was very beneficial.

## Feedback.

The python class was very useful to build a foundation on the topic. The teaching was very easy to understand & comprehend. The notes given were beneficial to learn the theoretical part. We gained insights into python. Overall, the class was well taught.

### VALUE ADDED COURSE ASSESMENT

### PROBLEM SOLVING AND PYTHON PROGRAMMING

Duration: 1 ½ hours

Branch / Year / Sem:

Date: /11/22

Maximum: 50 Marks

Answer any five questions.

#### PART – A (5 x 10 = 50 Marks)

1.	Summarize List operations and methods in detail
2.	Interpret exception handling mechanism with suitable code snippets.
3.	Explain the types of operators in python with suitable example.
4.	Write a python program to solve sum of n natural numbers
5.	a. Write a Python Program to find the greatest of three given numbers b. Write a Python program to find whether the given number is leap year or not
6.	Write a python program to find area of rectangle and triangle by getting input from the user
7.	Demonstrate file handling modes and operation of python in detail
8.	Discuss string operations and methods of python in detail

**St. Joseph's College of Arts and Science for Women, Hosur**

St. Joseph's College of Arts and Science for Women, Hosur, Tamil Nadu is a minority Christian college affiliated to Periyar University, Salem, started in the year 2006 and managed by the FSPM Sisters, Coimbatore. The College adheres to the motto "Knowledge Purifies and Charity Enhances", and empowers young women with knowledge, skills and character development.

**(FIRST PARTY)**

and

**Thanu's Beauty Parlour and Training Centre, Hosur**

Thanu's Beauty Parlour and Training Centre (Registered Ministry of MSME Government of Tamil Nadu), Hosur is a highly skill-oriented centre which teaches the basic skills and knowledge required to provide various beauty services, such as skin care, makeup, hair styling and nail art.

**(SECOND PARTY)**

Whereas the First Party and the Second Party have made this Memorandum of Understanding

- Collaborate on the creation of certification programs (related to Beauty Therapy).
- Provide recognized certifications that enhance students' employability and to validate the skills of participants.
- To provide training on skills like threading, clean up, bleach, facial, pedicure, head massage, waxing, facial stokes, skin anatomy, basic bridal makeup, spa and hair care.
- To develop the skills to become an entrepreneur.
- To enhance creativity and confidence by exploring different styles and techniques of beauty treatments.

**TERM:**

- a) This MOU shall be effective for a period of one (1) year from the date of execution of this agreement unless a written notice to terminate or amend these agreements given to the other party six (6) months in advance.
- b) It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a forceful suspension of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.
- c) This agreement may, at any time during its period of validity, be terminated by either party upon one month's prior notice to the other in writing.

## CONFIDENTIALITY:

Each of the parties accepts and declares that information from the other party is of confidential nature, is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present Agreement. For this reason, every piece of information provided by one party to the other before signing this Agreement and/or during its performance must be kept confidential and therefore may not be disclosed to any third parties.

## AMENDMENTS:

The parties may amend or amplify this Agreement through agreements in writing to that effect. Said amendments or additions will be binding on the signatories as of the date of their signature. The parties may not assign, in whole or in part, the performance of the present MOU to any third party, except through prior and express authorization in writing by both of them.

And since both parties are in agreement regarding the content of the present document, and as a token of conformity, we sign it in two counterparts, both of which will be considered originals.

## PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under **St.JOSEPH'S COLLEGE OF ARTS AND SCIENCE FOR WOMEN, HOSUR.**
2. Organize various workshops on Entrepreneurship Development
3. Conduct practical trainings on Entrepreneurship Development
4. Generate self-employment opportunities
5. Assist the students in establishing various start-ups
6. Arrange the placement of trained students

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

### **CLAUSE 1 CO-OPERATION**

Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

## **CLAUSE 2**

### **SCOPE OF THE MOU**

Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.

The interaction between Industry and Community College Centre will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.

The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

### Clause 3

### VALIDITY

The validity of the agreement is two year from the date of agreement.

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

Respected Madam,

Sub: Seeking permission to conduct the Value added course on Basic Circuit Designing -  
Reg.

I kindly request you to grant permission to conduct a Value added course on Basic Circuit Designing for I, II and III B. Sc., Physics students. The course may require a minimum 30 hours. The purpose of the course is to prepare students for self-employment in the field of Basic Circuit Designing. I kindly request you to support and permit us to bring this to reality.

Thanking you

*M. Rashmi*

Yours Sincerely,

Head and Assistant Professor

## About Us

Many technological advancements are rooted in circuit design. Understanding the basics of circuitry is essential for those looking to contribute to innovations in areas such as robotics, Internet of Things (IoT), and electronic devices.

It forms the basis for more complex electronic design and fosters a deeper understanding of the principles that govern electronic systems.

**St. Joseph's college of Arts and Science For Women, Hosur**

Department of Physics

Certificate Course

In

Basic circuit Designing

Mode : Offline

Duration : 30 Hrs

### Benefits :

Building circuits provides hands-on experience with electronic components, including resistors, capacitors, transistors, and integrated circuits. Basic circuit designing serves as a stepping stone for more advanced studies in electronics and electrical engineering. For hobbyists, circuit designing is a rewarding and enjoyable activity. It allows them to create electronic gadgets.

### **Company Overview:**

Pranav Solution which provides Training and Development based career guidance for ECE, EEE, CSE, IT, MECH, CIVIL, Arts & Science Students with Krishnagiri, Tamilnadu as its Head office which offering value added courses and projects in various disciplines. The unit was promoted by a group of professionals with handy experience, providing training in software and hardware with in-depth knowledge on the educational delivery system. The courses offered cover the most-wanted industry-demanding modules of electronics, electrical and computer technologies. It is designed to effectively address the learning curve of beginners, as well as professionals.

### **Quality Policy:**

All of us at Pranav Solution consider the following guiding principles as supreme.

1. Providing highest quality educational practices to all the participants.
2. Deliver the participants more than what has been assured of.
3. Assuring the best of the services and personalized attention every time and at all times.

### **Business Areas of Pranav Solution:**

1. **Training Department:** we are providing training on latest software and Hardware technologies for ECE, EEE, CSE, IT, MECH, CIVIL.
2. **Project Department:** we also offer academic level MINI and MAJOR projects for students for the above mentioned disciplines.
3. **Placement Activities:** we place students with our reputed client companies which depends on students talents.

### **Team strength:**

We have excellent bench strength with more than 15 employees working in our organisation and most of them are experienced faculties with 3-5 years of experience in their respective domains. We are providing placement guidance programs for each and every department. We are having direct tie-up with more than 10 MNC's. Most of the clients are from Chennai, Bangalore, Coimbatore and Hosur based companies.

### MCQ (Multiple Choice Questions), 25 Marks

1. Which of the following is not an electronic device?
  - a) A mobile
  - b) A computer
  - c) A magnifying glass
  - d) A keyboard
  
2. Which of the following is not a physical component of an electronic circuit?
  - a) Capacitor
  - b) Inductor
  - c) Diode
  - d) Temperature
  
3. Which of the following is not a property of semiconductors used in electronic devices?
  - a) They excite electrons
  - b) They don't emit light
  - c) They have high thermal conductivity
  - d) They have variable electrical conductivity
  
4. Which of the following is the correct relationship between temperature (T) and mobility (u) of electrons in electronic circuits?
  - a)  $u \propto T^{-3/2}$
  - b)  $u \propto T^{-1/2}$
  - c)  $u \propto T$
  - d)  $u \propto T^{-1}$

5. What is the effect of temperature on the recombination rate of electrons in electronic circuits?
- a) Recombination rate increases with increase in the temperature
  - b) Recombination rate decreases with increase in the temperature
  - c) Recombination rate is independent of temperature
  - d) Recombination of electrons doesn't occur in semiconductors
6. Which of the following is correct about semiconductors in electronic devices?
- a) Elemental semiconductors have direct band gap
  - b) Compound semiconductors have indirect band gap
  - c) Extrinsic semiconductors are injected with impurities
  - d) Doping is done in Intrinsic semiconductors
7. Which of the following technique can't be used for generating electron-hole pairs in electronic devices?
- a) Thermal excitation
  - b) Impact ionization
  - c) Photo excitation
  - d) Impurity injection
8. Which of the following is not correct about semiconductors in electronic devices?
- a) Electrons are present below Fermi level in a semiconductor
  - b) Degenerated semiconductors behave like a conductor
  - c) Fermi level is independent of temperature and doping
  - d) Pentavalent atoms are used in an n-type extrinsic semiconductor

9. Which of the following equation represents mass action law for semiconductors in electronic circuits?

- a)  $n \times p = n_i^2$
- b)  $n \times p = n_i$
- c)  $n \times p = n_i^3$
- d)  $n \times p = n_i^{1/2}$

10. Which of the following is correct about Hall Effect in electronic circuits?

- a) Hall voltage is very weak in metals as compared to semiconductors
- b) Hall voltage is directly proportional to the charge density
- c) Hall voltage is inversely proportional to the intensity of the magnetic field
- d) Intrinsic semiconductor has a positive temperature coefficient of hall constant

11. Which of the following is not correct about a step-graded junction in electronic devices?

- a) Diodes with step-graded junctions are slower than a normal diode
- b) They are designed with abrupt junction
- c) They are either  $p^+ - n$  or  $p - n^+$  junction
- d) Depletion layer penetrates more into the lightly doped region

12. Which of the following is correct about photo diode electronic devices?

- a) P-N junction is connected in reverse bias.
- b) Electron-hole pairs are generated by impurity injection in depletion layer
- c) It is a photovoltaic cell
- d) No external voltage is applied

13. Which of the following is wrong about solar cell electronic devices?
- a) Solar cell responsivity is directly proportional to the wavelength of light
  - b) It produces dark current
  - c) It is a photovoltaic cell
  - d) No external voltage is applied
14. What type of semiconductor is used in LED electronic circuits?
- a) Intrinsic semiconductor
  - b) Compound semiconductor
  - c) Degenerated semiconductor
  - d) Compensated semiconductor
15. Which of the following semiconductor is mostly used to construct electronic circuits?
- a) Silicon
  - b) Germanium
  - c) Selenium
  - d) Tin
16. Which of the following is correct about NMOS electronic circuits?
- a) It has N-substrate
  - b) For inversion positive voltage is applied to the gate terminal
  - c) For accumulation positive voltage is applied to the gate terminal
  - d) NMOS has holes as the majority of carriers

17. Which of the following is wrong about threshold voltage ( $V_T$ ) in a MOSFET electronic circuit?
- a) If  $V_T$  is less, channel form quickly for conductivity
  - b)  $V_T$  can be reduced by reducing oxide layer thickness
  - c)  $V_T$  is independent of ion implementation
  - d)  $V_T$  can be reduced by reducing substrate doping
18. Which of the following is the correct relationship between trans-conductance ( $G_m$ ) and drain to source current ( $I_{DS}$ ) in an NMOS electronic circuit?
- a)  $G_m \propto I_{DS}^{-3/2}$
  - b)  $G_m \propto I_{DS}^{-1/2}$
  - c)  $G_m \propto I_{DS}$
  - d)  $G_m \propto I_{DS}^{1/2}$
19. In which of the following region does BJT act as the amplifier electronic device?
- a) Cut-off
  - b) Saturation
  - c) Active
  - d) Reverse saturation
20. Which type of semiconductor is used in Tunnel Diode?
- a) Compound semiconductor
  - b) Elemental semiconductor
  - c) Degenerated semiconductor
  - d) Extrinsic semiconductor

21. Which of the following is false about Fermi-Dirac distribution function  $f(E)$  used to understand semiconductors in electronic circuits?
- a)  $f(E)$  is the probability of finding an electron in an energy level  $E$
  - b) When the temperature decreases  $f(E)$  also increases
  - c)  $f(E)$  doesn't give the number of electrons in a given energy level
  - d)  $f(E)$  doesn't give the number of energy levels with electrons
22. An electronic circuit wire of conductivity  $5.8 \times 10^7$  mho-m is subjected to an electric field of 40 mV/m. What will be its current density?
- a)  $2.32 \times 10^6$  A/m<sup>2</sup>
  - b)  $1.16 \times 10^6$  A/m<sup>2</sup>
  - c)  $4.64 \times 10^6$  A/m<sup>2</sup>
  - d)  $4.30 \times 10^6$  A/m<sup>2</sup>
23. Mass action law is not valid for which type of semiconductors in electronic devices?
- a) Compound
  - b) Elemental
  - c) Degenerative
  - d) Compensated
24. Which of the following is the correct expression of current in an intrinsic semiconductor electronic circuit?
- a)  $I_{\text{Total}} = I_e + I_h$
  - b)  $I_{\text{Total}} = I_e - I_h$
  - c)  $I_{\text{Total}} = I_e + 2I_h$

**Report for Value added Course – Basic Circuit Designing (2022-2023)**

**COURSE OBJECTIVE:**

Under the expert guidance of Mr. R. Elavarasan, Managing Director, Pranav Solution Krishnagiri., a Value added course on Basic Circuit Designing has concluded for I, II & III B. Sc., Physics students. The aim of a basic circuit designing course is to provide fundamental knowledge and skills related to the design, analysis, and implementation of electronic circuits.

**REPORT:**

The Value Added Course on Basic Circuit Designing conducted by Mr. R. Elavarasan aimed to provide participants with essential knowledge and skills in electronic circuit design. The course spanned a duration of 30 days and covered a range of topics from fundamental concepts to practical applications.

The Value Added Course on Basic Circuit Designing received positive feedback from participants. By the end of the course, participants demonstrated improved understanding and confidence in designing, analyzing, and troubleshooting basic electronic circuits. They acquired practical skills that are applicable in academic, professional, and hobbyist settings

The Value Added Course on Basic Circuit Designing conducted by Mr. R. Elavarasan proved to be highly beneficial in equipping participants with essential knowledge and skills in electronic circuit design. The course successfully achieved its objectives of providing a comprehensive understanding of basic circuits and fostering practical proficiency in circuit designing. Such value-added courses play a vital role in enhancing the skill set and employability of participants in the field of electronics and related industries.

**St. Joseph's College of Arts and Science for Women, Hosur**

St. Joseph's College of Arts and Science for Women, Hosur, Tamil Nadu is a minority Christian college affiliated to Periyar University, Salem, started in the year 2006 and managed by the FSPM Sisters, Coimbatore. The College adheres to the motto "Knowledge Purifies and Charity Enhances", and empowers young women with knowledge, skills and character development.

**(FIRST PARTY)**

and

**Saraswathi Academy, Hosur  
(One Stop Solution For All Competitive Exams)**

Saraswathi Academy situated in Hosur is an excellent coaching centre that provide guidance and training for students who want to prepare for various competitive exams, such as JEE, NEET, TNPSC, SSC, and banking exams. They enhance knowledge, skills, and confidence, and enable the learners to face competitive exams with competence and success.

**(SECOND PARTY)**

Whereas the First Party and the Second Party have made this Memorandum of Understanding

- Collaborate on the creation of certification programs (Foundation course for Competitive Exams).
- Provide recognized certifications that enhance students' employability and to validate the skills of participants.
- follow a well-designed study plan that covers the entire syllabus and exam pattern.
- Provide expert guidance and mentorship from experienced educators, comprehensive study material, which includes curated content, previous years' question papers, and mock tests.
- To conduct regular assessments and feedback, which can help to evaluate the progress, identify the weak areas, and improve performance.
- To offer emotional and psychological support, which can help the learners cope with stress, anxiety, and self-doubt.

**TERM:**

- a) This MOU shall be effective for a period of three (3) years from the date of execution of this agreement unless a written notice to terminate or amend these agreements given to the other party six (6) months in advance.
- b) It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a forceful suspension of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.

*Handwritten signature in green ink*

*Handwritten signature in blue ink*

- c) This agreement may, at any time during its period of validity, be terminated by either party upon one month's prior notice to the other in writing.

### **CONFIDENTIALITY:**

Each of the parties accepts and declares that information from the other party is of confidential nature, is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present Agreement. For this reason, every piece of information provided by one party to the other before signing this Agreement and/or during its performance must be kept confidential and therefore may not be disclosed to any third parties.

### **AMENDMENTS:**

The parties may amend or amplify this Agreement through agreements in writing to that effect. Said amendments or additions will be binding on the signatories as of the date of their signature. The parties may not assign, in whole or in part, the performance of the present MOU to any third party, except through prior and express authorization in writing by both of them.

And since both parties are in agreement regarding the content of the present document, and as a token of conformity, we sign it in two counterparts, both of which will be considered originals.

between **St. Joseph's Arts and Science College for Women**, (hereinafter referred to as **SJC**) represented by its **Principal, Dr. Sr. M. Helen**, as the first party and **Vanaz Sewing School and Embroidery School, Trichy** (hereinafter referred to as **Vanaz**) represented by **Ms. S. Sravanthi, Principal**, and as the second party.

## **PURPOSE**

### **Whereas**

- a) **St. Joseph's College of Arts and Science for Women, Hosur, Tamil Nadu** (hereinafter referred as "**SJC**") is a minority Christian college affiliated to Periyar University, Salem and managed by the FSPM Sisters, Coimbatore. We adhere to our motto "Knowledge Purifies and Charity Enhances", and empower young women with knowledge, skills, holistic approach and enable them to face the present society. The college offers various UG, PG and Research programmes.
- b) **SJC** is desirous to associate with **Vanaz** on various areas as discussed in the purview of this MoU, which will be mutually beneficial to both institutions.

### **Whereas**

- c) **Vanaz Sewing School and Embroidery School, Trichy** (hereinafter referred to as **Vanaz**) is a school of fashion designing whose Principal, Ms. S. Sravanthi focuses on the training of basic stitching of Ladies, Children and Gents. They also extend their service in the areas of Aari and Hand Embroidery, Jute bag making, Mehendi training and Smocking Cushion.
- d) **Vanaz Sewing School and Embroidery School, Trichy** (hereinafter referred to as **Vanaz**) is desirous to associate with **SJC** on various areas as discussed in the purview of this MoU, which will be mutually beneficial to both organizations.

**That, relying on the principle of good faith, by virtue of which they will carry out all the possible actions for their due fulfillment,**

And relying also on their common bonds and concerns, they state their interest in strengthening their relationships through academic cooperation, and for this end they are of one accord in entering this MoU.

## **THEREFORE, THIS MEMORANDUM OF UNDERSTANDING WITNESSES AS FOLLOWS**

### **1. OBJECTIVE:**

- a) The parties agree that the objective of the present MoU is to establish a collaborative relationship between **St. Joseph's Arts and Science College** and **Vanaz Sewing School and Embroidery School, Trichy** to provide tailoring training to the college community.

*Ms. S. Sravanthi*

*Dr. Sr. M. Helen*

## 2. METHOD FOR ACHIEVING THE OBJECTIVES:

- a) In order to achieve the aforementioned objectives, both parties, in mutual agreement, shall develop cooperation programs and projects that will specify the commitments each of them is to make for the performance of said programs.

## 3. AREAS OF CO-OPERATION:

Whereas, SJC and Vanaz recognize that the collaboration would be of mutual benefit.

- a) **Vanaz** would provide training for Machine practice, Stitching of Simple frock, Kameez, Pants (Salwar, Pattiyala, Gathering), Cut Blouse and Lining Blouse.

## 4. TERM:

- a) This MOU shall be effective for a period of one (1) year from the date of execution of this agreement unless a written notice to terminate or amend these agreements given to the other party six (6) months in advance.
- b) It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a forceful suspension of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.
- c) This agreement may, at any time during its period of validity, be terminated by either party upon one month's prior notice to the other in writing.

## 5. CONFIDENTIALITY:

Each of the parties accepts and declares that information from the other party is of confidential nature, is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present Agreement. For this reason, every piece of information provided by one party to the other before signing this Agreement and/or during its performance must be kept confidential and therefore may not be disclosed to any third parties.

## 6. AMENDMENTS:

The parties may amend or amplify this Agreement through agreements in writing to that effect. Said amendments or additions will be binding on the signatories as of the date of their signature. The parties may not assign, in whole or in part, the performance of the present MOU to any third party, except through prior and express authorization in writing by both of them. And since both parties are in agreement regarding the content of the present document, and as a token of conformity, we sign it in two counterparts, both of which will be considered originals.

benefit.

- a) Calmscious would provide qualified and licensed mental health professionals for counseling sessions and workshops.
- b) Develop and deliver customized mental health programs to address the specific needs of the college community.
- c) Maintain confidentiality and adhere to ethical standards in all interactions with clients.
- d) **St. Joseph's College of Arts and Science for Women, Hosur** would allocate appropriate spaces for counseling sessions and workshops, ensuring privacy and comfort.
- e) Collaborate with Calmscious in promoting mental health awareness through campus-wide communications and events.
- f) Facilitate access for Calmscious staff to engage with students, faculty, and staff.

#### 4. FUNDING:

Expenses for airfare, transportation, room and board and personal expenses the members shall be covered by each individual. Students will register for courses or professional practices at their home institution, so that they can be recognized afterwards.

#### 5. NO EMPLOYMENT RELATIONSHIP:

The parties agree that this Agreement shall not be construed in any manner as establishing any kind of partnership or bond of a labor nature between them. Thus, in all activities stemming from the present MoU and from subsequent specific action plans, the parties are in the understanding that, in all cases, employment relationships shall remain in force between the employing institution and its respective personnel.

#### 6. RIGHTS AND DUTIES:

The institutions shall act as facilitators, but they will have no obligation whatsoever in terms of the actions, behaviour or financial aspects of the students / participants involved.

#### 8. AUTONOMY:

This agreement is a statement of intentions and does not involve, in any instance whatsoever, any financial obligations between the subscribing institutions.

#### 9. TERM:

- a). This MOU shall be effective for a period of one (1) year from the date of execution of this agreement unless a written notice to terminate or amend these agreements given to the other party six (6) months in advance.
- b). It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a **forceful suspension** of a collaboration

*Handwritten signature in purple ink*

program. Causes for forceful suspension must be explicitly set forth in the action plans.

c). This agreement may, at any time during its period of validity, be terminated by either party upon one month's prior notice to the other in writing.

#### **10. CONFLICT RESOLUTION:**

a) Any dispute resulting from the interpretation or application of this Agreement shall be settled through direct negotiation and **common agreement** by the persons delegated to such end by each Institution. Either party may propose to the other modification of the Agreement at any time in writing.

#### **11. ACTION PLANS:**

a) Every work program or specific activity that is agreed upon between both institutions shall be defined through an action plan, which shall be under the responsibility of two individuals, appointed respectively by each university / Institution, and which shall define the following aspects:

- i) Administrative and organizational conditions of the plan;
- ii) Duration of the protocol;
- iii) Differences between the parties;
- iv) Development of the collaboration project;
- v) Project and/or program to be carried out;
- vi) Financial budget;
- vii) Programme-specific action plans and reports

#### **12. CONFIDENTIALITY:**

a) Each of the parties accepts and declares that every information from the other party is of a confidential nature, is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present Agreement. For this reason, every piece of information provided by one party to the other before signing this Agreement and/or during its performance must be kept confidential and therefore may not be disclosed to any third parties.

#### **13. AMENDMENTS:**

a) The parties may amend or amplify this Agreement through agreements in writing to that effect. Said amendments or additions will be binding on the signatories as of the date of their signature. The parties may not assign, in whole or in part, the performance of the present MoU to any third party, except through prior and express authorization in writing by both of them.

And since both parties are in agreement regarding the content of the present document, and as a token of conformity, we sign it in two counterparts, both of which will be considered originals.

understanding that, in all cases, employment relationships shall remain in force between the employing institution and its respective personnel.

#### 6. RIGHTS AND DUTIES:

- o) The host Institution is committed to counseling and supporting exchange students through advice on academic and administrative procedures, as well as to foster their integration, inviting and encouraging guest students to become involved in student life.
- p) The institutions shall act as facilitators, but they will have no obligation whatsoever in terms of the actions, behaviors or financial aspects of the students/participants involved in the exchange.
- q) The host institution agrees to assist to provide boarding, lodging and necessities and to provide workspace, library and laboratory facilities as appropriate. It should be mutually agreed in writing between the parties prior to the commencement of this activity.

#### 7. AUTONOMY:

- s) This agreement is a statement of intentions and does not involve, in any instance whatsoever, any financial obligations between the subscribing institutions.

#### 8. TERM:

- t) This MOU shall be effective for a period of five (5) years from the date of execution of this agreement, and shall be automatically renewed thereafter for another five (5) years unless a written notice to terminate or amend this agreement is given to the other party six (6) months in advance.
- u) It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a **forceful suspension** of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.

#### 9. CONFLICT RESOLUTION:

- v) Any dispute resulting from the interpretation or application of this Agreement shall be settled through direct negotiation and **common agreement** by the persons delegated to such end by each UNIVERSITY / Institution. Either party may propose to the other a modification of the Agreement at any time in writing.

***GUEST LECTURE ON GREEN CHEMISTRY IN PHARMACEUTICAL (23.03.2023)***

The guest lecture on Green Chemistry in Pharmaceuticals held on March 23, 2023, offered an insightful examination of sustainable practices within the pharmaceutical industry. Green chemistry, with its emphasis on minimizing environmental impact and maximizing efficiency, has emerged as a pivotal approach in drug development and manufacturing.

The lecture delved into the fundamental principles of green chemistry, illustrating their application in pharmaceutical research and production. Attendees gained a deeper understanding of how techniques such as solvent-free synthesis, biocatalysis, and waste reduction strategies contribute to more eco-friendly drug manufacturing processes.

**Workshop Report: Chemistry in Forging Industry - Bridging Theory with Practice**

On 10.01.2024, a workshop was conducted for chemistry students focusing on the application of chemistry principles in the forging industry. Hosted by Innoforge Pvt.Ltd., the workshop aimed to bridge theoretical knowledge with practical applications in the field of forging.

The workshop began with an overview of the forging industry and its significance in various sectors such as automotive, aerospace, and manufacturing. Participants gained insights into the role of chemistry in forging processes, including material selection, heat treatment, and metallurgical analysis.

Through interactive sessions and demonstrations, students learned about the chemical reactions and transformations that occur during forging, emphasizing the importance of temperature control, alloy composition, and surface treatments in achieving desired mechanical properties.

Practical exercises and case studies allowed students to apply theoretical concepts to real-world scenarios, enhancing their problem-solving skills and analytical abilities. Additionally, industry experts shared their experiences and insights, providing valuable perspectives on the integration of chemistry in forging practices.

Overall, the workshop provided students with a comprehensive understanding of the synergy between chemistry principles and forging techniques. By bridging theory with practice, participants gained valuable knowledge and skills essential for future careers in the forging industry.

**INDUSTRIAL VISIT REPORT(20.02.2024)**

On 20th February 2024, a group of 56 students along with two staff members from St.Joseph's College of Arts and Science for Women, Hosur, embarked on an industrial visit to Innoforge Pvt Ltd, a leading manufacturer situated in Hosur, Tamil Nadu. The objective of the visit was to provide students with practical insights into industrial operations and to enhance their understanding of manufacturing processes. Innoforge Pvt Ltd is renowned for its innovative approach towards manufacturing and specializes in Open forging, Closed forging and ring rolled products. The company has established itself as a pioneer in the field, with a reputation for quality, efficiency, and technological advancement. The visit commenced with a comprehensive tour of the manufacturing facility, where students witnessed various stages of production, from raw material processing to the final assembly line. They gained firsthand experience of modern machinery and automation techniques utilized in the manufacturing process.

The visit emphasized the significance of quality assurance in manufacturing. Students learned about Innoforge's robust quality control measures implemented at every stage of production to ensure the integrity and reliability of the final products. Interactive Sessions: Engaging interactions with the company's personnel allowed students to delve deeper into the nuances of forging and rolling technologies. They had the opportunity to ask questions, seek clarification, and engage in discussions regarding industry trends and best practices. The industrial visit to Innoforge Pvt Ltd proved to be a valuable learning experience for the participants, offering practical insights into the processes of open forging, closed die forging, and ring rolled products manufacturing. The excursion facilitated a bridge between theoretical knowledge and real-world applications, enriching the students' understanding of the manufacturing industry.

Feedback for I. V :

I have learn something new about Innoforge PVT LTD. It is a greate experience. of visiting the Innoforge. I wonder to see the working and the production of the company. we learn how to Shape the metals. I learn to find what kind of metals present in the metals. to find hardness how of the metals.

Feedback for I.V:

It was a great experience visiting Innoforge industry. I learnt a lot from industry visit. The workers from that industry explained about their work which was very interesting. The machinery such as OES Spectrum and impact machine is very interesting to learn. The staff working there was very kind and made us to learn a lot.

## Industrial visit

We went to Innoforge pvt. limited. As we went to this industry visit and we learned many things from them. And that company is full manufacturing fully steel products. And with using the die which is closed and open die.

The manufactured products like

1. Alloy steel
2. Carbon steel
3. Stainless steel.

which are manufactured from different variations in different temperature. Each steel has different temperatures. And we learn many things for them - which was very useful.

## Industrial visit

### Feedback form

We went to InnoForge Industries which is based on the principle of forging technology. The Supervisor explained the working of the machines. Three types of steel are shown. They are Alloy steel, Carbon steel and stainless steel. We visited different type of die casting places. The OES machine is used to find the percentage of different types of metals. Ultrasonic flaw detector was shown by the working member. Here we learnt about die casting of the metal which is very useful.

Thank You.

We empower young women with the motto **"Knowledge Purifies and Charity Enhances"** following with the knowledge, skills, holistic approach and enable them to face the present society. The college offers various UG, PG and Research courses with strength of more than 2000 students.

The study at St. Joseph's College will certainly fetch a joyful and memorable experience of escalation in the aesthetics of education and ethnicity provided by the multi-cultured and multi-faceted presence of faculty and students who are persistent with the quest for excellence in proficiency. Its quiet surroundings, comprising of architecturally designed buildings, playgrounds and lush greenery make it one of the most preferred destinations for the aspirants.

In today's era, the world anticipates a nourishing education. St. Joseph's College of Arts and Science for Women is a renowned educational family having the inclination to offer quality education to women. It carries a rich history, holding the pride of gaining a far-famed reputation under the Periyar University.

## **NOW IT IS HEREBY AGREED BETWEEN THE PARTIES HERETO:**

### **Preamble**

**Industry** – Institutional collaboration Initiatives will lead to efficient complementation of resources of both the sponsors eventually leading to the development of a house of excellence for quality training, research and development which will be of immense mutual benefit and relevant to societal benefit. Realizing this objective, the industry and the college, named above, have signed this MoU in order to achieve the desired results for the benefit of the students and industry.

### **Objectives of MoU**

- Industry to establish the basis of cooperation and exchange in developing the student's communication skills and to widen their employability.
- Mutual consultancy and support in Research and Development if any.
- To Provide Training with certification as per requirement and approval.
- To Conduct Seminars and Workshops on the basis of mutual discussion.
- To depute a Qualified and Certified Instructor to handle the program.

## **TERMS AND AGREEMENT**

1. The Industry shall conduct exams for the Language Lab in-built courses and provide certificates. (Exam fees Rs300)
