To give instruction to Public instruction on how to behave with AIDS Patients.

Report:

Public Instruction on AIDS Etiquette

A program titled "Public Instruction on How to Behave with Individuals Testing Positive for AIDS" was successfully conducted in Balagiri on December 1, 2022. The initiative aimed to educate community members on interacting respectfully and supportively with individuals living with AIDS, thereby reducing stigma and discrimination. Through informative sessions, participants gained practical guidance on fostering empathy and understanding. The program emphasized the importance of creating a compassionate and inclusive community environment. Overall, the event contributed to raising awareness and promoting positive behavior towards individuals affected by AIDS.
