SCHOLARSHIP AND FELLOWSHIP COMMITTEE

POLICY:

- To facilitate students by offering resources and instructions for submitting scholarship applications.
- To guarantee that every qualified student applies for and is awarded the scholarship.
- To play a key role in maximizing students' research potential by assisting them in pursuing higher education.

PRACTICES:

- Students will be made aware of the scholarship portal's timelines.
- Students will receive all the guidance they need to prepare the documentation needed to apply for scholarships.
- The process of preparing documents is discussed in regular meetings with the students.
- Confirmation of every document the students submitted.
- Uploading the information and files that students have provided to the scholarship portal.
- Confirm and obtain approval at the institutional level.
- Attesting to the student's continuation of her studies in the second year following graduation and guaranteeing the fellowship amount for that time as well.
- Starting and approving the monthly payments to the students for their fellowships

OUTCOMES:

- The financial support offered encourages students to pursue higher education.
- Students can bolster their financial history.
- Students from disadvantaged social and economic backgrounds will be prepared to pursue high-quality education.

A generation of strong, independent women will come from female students who win scholarships to pursue higher education.
