SC/ST CELL REPORT

2022-2023

The SC/ST cell's inaugural meeting took place in the conference room on 15th July 2022. For the academic year 2022-2023, the Principal, the Coordinator, and three more members made up the SC/ST committee. It was planned to use assistant professors to explain students about the specifics of the scholarship programs.

The SC/ST students were verified by the cell members who also checked the student profiles available in the departments and office. First-year students were given orientation, which included information on various government initiatives for the SC and ST community.

157 students were enrolled for the SC/ST scholarship during the academic year 2022-2023.

All the students availed the scholarship. An amount of 936350/- has been received from the government as grant.

SC/ST CELL REPORT

2021-2022

On July 15, 2021, the SC/ST cell held its first meeting in the conference room. The SC/ST committee for the 2021–2022 school year consisted of the Principal, the Coordinator, and three more members. Assistant lecturers were supposed to instruct students on the intricacies of the scholarship programs.

The cell members confirmed the SC/ST students by looking through their student profiles that were on file at the offices and departments. During orientation, first-year students received information on several government initiatives aimed at the SC and ST community. A total of 162 students were registered for the SC/ST scholarship in the 2022–2023 academic year.

Every student took advantage of the scholarship. The recipient of the award from the Government is 964300/-.
