Altruistic Alumnae Association for organizing such an impactful event. Many attendees left with a renewed appreciation for the power of learning and a commitment to ongoing self-improvement.

The fifth-day session was led by Ms. Jenifer E from M S Dhoni Global School, Bathalapallai. Ms. Jenifer delivered a compelling lecture series titled "The Impact of Extracurricular Activities on Mental Health". Her expertise in education and mental health provided students with valuable insights into the positive effects of extracurricular activities on mental wellbeing. She highlighted the importance of engaging in hobbies, sports, and other extracurricular pursuits as a means of reducing stress, boosting self-esteem, and fostering social connections.

Participants actively engaged with Ms. Jenifer, sharing their own experiences and perspectives on the topic. Her interactive approach encouraged open dialogue and reflection, creating a supportive environment for learning and growth.

As the session concluded, participants expressed gratitude to Ms. Jenifer for her enlightening presentation. Many students voiced their intentions to incorporate more extracurricular activities into their lives to enhance their mental well-being.
