**Authorization for Disbursement of Funds for
Workshops/Seminars/Conferences**

This is to officially approve the payment of Rs. 1,30,000 (One Lakh Thirty Thousand Rupees) to faculty members for the purpose of holding conferences, workshops, and seminars during the 2022-2023 academic year.

In my capacity as principal, I recognize the value of our distinguished faculty members' ongoing professional growth and the improvement of their academic abilities. Providing them with opportunity to participate in workshops, seminars, and conferences is essential in order to keep them informed about the most recent advancements in their disciplines.

The allotted money was only used to plan and facilitate these kinds of educational activities. This was organized to take full advantage and support the general development and excellence of our academic community.
