Report for Five Days Teaching staff Development Program on  
“Enhancing Teaching Excellence and Innovation”

Internal Quality Assurance Cell and Research Cell of St. Joseph's College of Arts and Science for Women, organized a five-days Teaching staff faculty Development Programme on “Enhancing Teaching Excellence and Innovation” From 10<sup>th</sup> June 2019 to 14<sup>th</sup> June 2019.

The resource persons were Mr. Yesuraja Arockiasamy , Product Support Manager , Bosco Soft Technologies Pvt Ltd , Yelagiri Hills, Tirupattur and Mr. Imran , Support Executive, Bosco Soft Technologies Pvt Ltd, Yelagiri Hills, Tirupattur.

High-grade introductions are critical in academic settings, setting the tone for fruitful engagement. The Faculty Development Program (FDP), emphasized on crafting compelling introductions enhances educators' abilities to captivate learners. It involved strategies like hooking the audience, providing context, stating objectives, and establishing credibility. High-grade introductions foster engagement, stimulate curiosity, and convey the educator's expertise. By structuring introductions effectively, educators can create an inclusive learning environment conducive to knowledge acquisition and retention. Through the program, educators refined their introduction skills, ensuring they initiate sessions with impact, ultimately enhancing the overall educational experience.

The trainer focused on equipping educators with the necessary skills and strategies to effectively integrate technology into their teaching practices. The programs emphasized the utilization of various digital tools, resources, and platforms to enhance learning experiences, engage students, and promote active participation. Through hands-on training, educators learnt how to leverage technology to deliver dynamic and interactive lessons, cater to diverse learning styles, and facilitate collaborative learning environments. The trainer also addressed the importance of digital literacy, responsible use of technology, and staying abreast of emerging trends to ensure educators remain effective and adaptable in an increasingly digital-driven educational landscape.

Training on smart board handling are indispensable for educators to optimize teaching methodologies in today's digital age. The session focused on leveraging smart board technology to enhance classroom engagement and instructional effectiveness. Participants learnt practical skills such as operating

the smart board interface, integrating multimedia content, and utilizing interactive features to enrich learning experiences.

On the subsequent days the event was headed by Mr. C. Murali, Development Officer, Jeevan Jyothi, Hosur.

The trainer emphasized the importance of effective lesson planning tailored to smart board usage, ensuring alignment with learning objectives and student needs. Educators explored various instructional techniques, including interactive presentations, real-time annotations, and collaborative activities, to foster active participation and knowledge retention among students.

The trainer highlighted strategies for troubleshooting common technical issues and maximizing the functionalities of smart boards. Educators were encouraged to experiment with different tools and applications to customize learning experiences and cater to diverse learning styles.

Through hands-on training and peer collaboration, educators gained confidence in utilizing smart boards as versatile teaching aids, facilitating dynamic and engaging classroom interactions. The program empowered educators to harness the full potential of technology in education, creating stimulating learning environments that foster student-centered learning and academic excellence.
