ENTREPRENEURSHIP DAY – 2018-2019

In today's society both men and women are forced to go to work due to economic change. The college management organized an Entrepreneurship Day for female students on **01.08.2018** to emphasize the importance of self-employment in order to motivate the future college students to develop their skills and improve their lives not only academically. This leads them to improve their lifestyle and invest and earn profit.

ENTREPRENEURSHIP DAY – 2018-2019

In contemporary society, economic changes force both sexes to pursue employment. Entrepreneurship Day was celebrated on **09.01.2019** on behalf of the college to showcase the proactive stance of prospective college students, driven not only by academics but also by intrinsic motivations, to showcase their talents to improve their lives. This event inculcates self-motivation and ethical lifestyle among the students. Also, it encourages profit oriented investment ventures.

ENTREPRENEURSHIP DAY – 2019-2020

Our college students use their skills to move toward bright futures marked by academic excellence and self-motivation. This spirit of initiative was organized to encourage them to actively pursue avenues of personal development beyond mere academics and on **10.07.2019** sale of products made by the students was organized in the college. This not only enabled them to aim for professional success but also led them to enhance their lifestyle through investments. Thus these ethos of self-reliance and determination among female students not only fosters resilience but also inspires a collective drive for progress and prosperity.
