Report:

Mrs. Amal Redge, Assistant Professor in the Department of Computer Science at St. Joseph's College of Arts and Science for Women in Hosur, conducted a dynamic Language and Life Skill activity focusing on Problem Solving Techniques. Engaging students in interactive sessions, Mrs. Redge emphasized critical thinking, decision making, and effective communication to tackle challenges. Through real-life scenarios and role-plays, students honed their problem-solving skills, learning to analyze situations, identify solutions, and collaborate effectively. The activity not only enhanced students' linguistic abilities but also equipped them with invaluable life skills essential for personal and professional success.
