WOMEN, HOSUR
(Affiliated to Periyar University, Salem)
Mookandapalli, Sipcot, Hosur - 635126

Department of Nutrition and Dietetics
organizes a
Language and communication Skill Activity
On
Story Building Collaboration

Date :25.07.2020

Date : 25.07.2020

Resource Person : Ms.A.Suganya

Assistant Professor,

Department of Nutrition and Dietetics,

St. Joseph's College of Arts and Science for Women, Hosur.

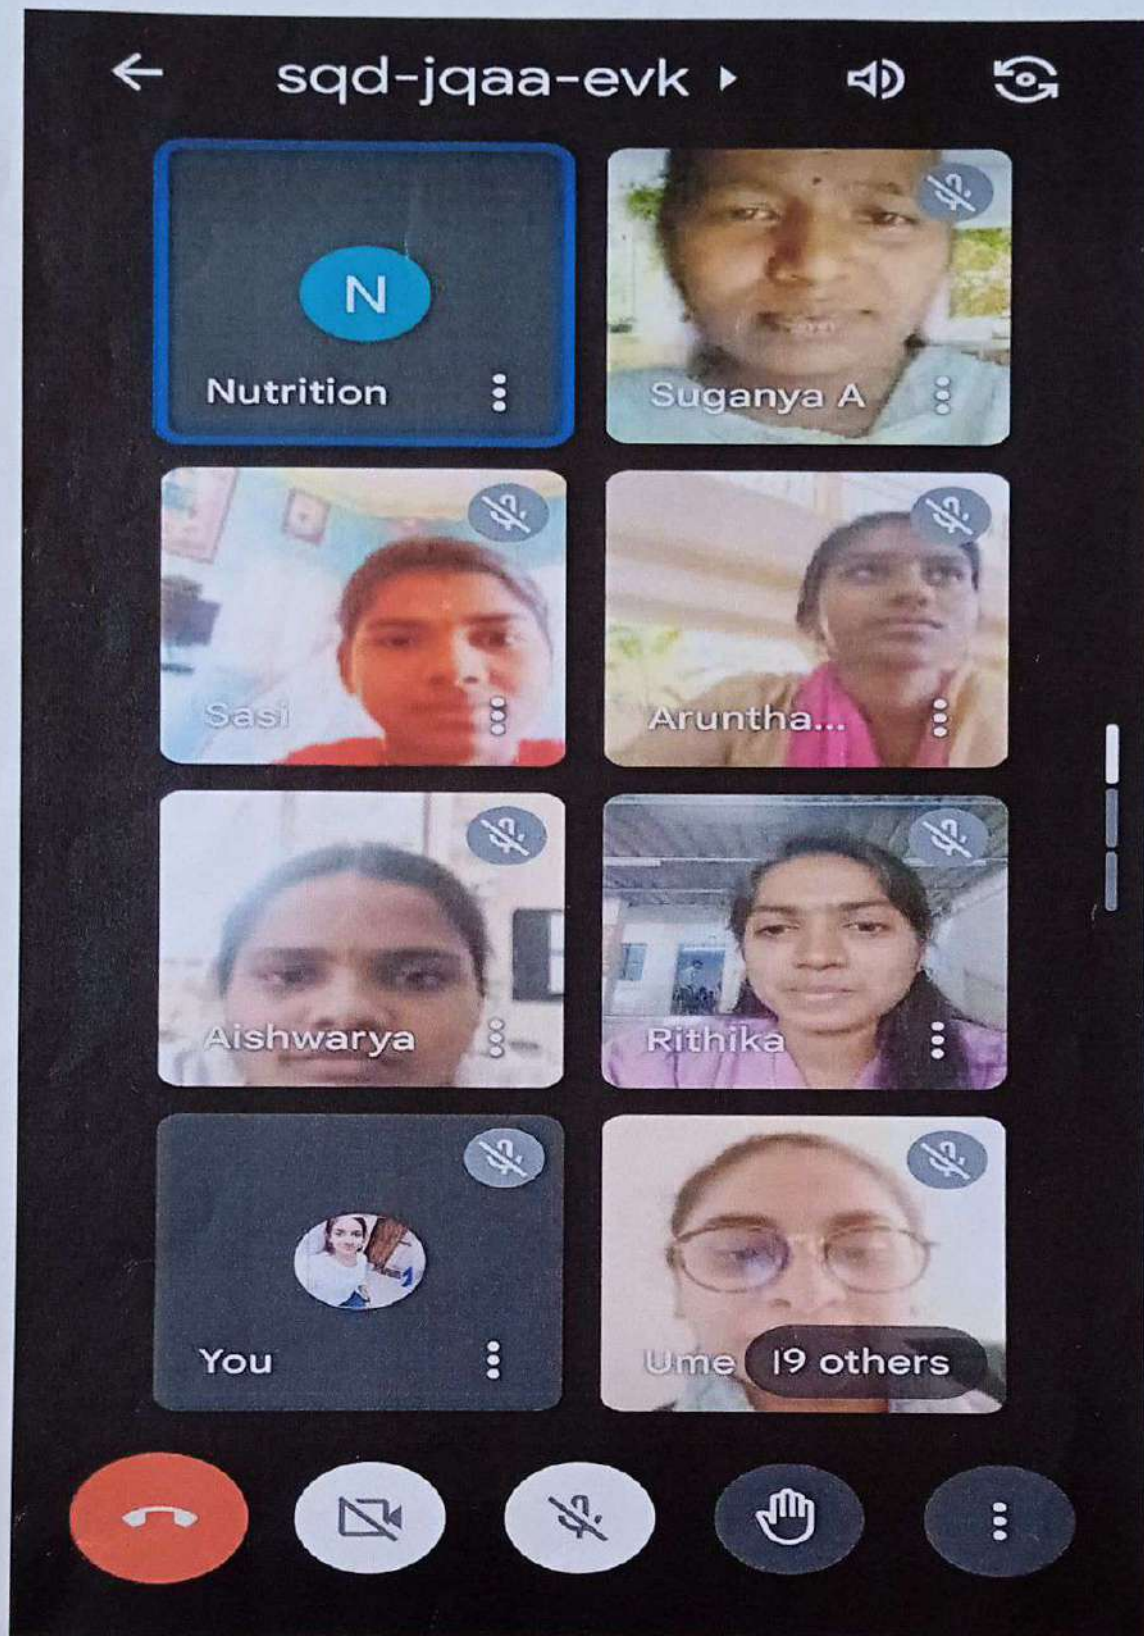

Class : II B.Sc Nutrition and Dietetics

No.of Beneficiaries : 28

Report:

Department of Nutrition and Dietetics organized a language and communication skill workshop on story building collaboration. Ms.A,Suganya Assistant Professor, Department of Nutrition and Dietetics was the resource person of the workshop. The Story Building Collaboration workshop fosters a creative environment for collective narrative construction. Students engage in collaborative exercises to craft compelling stories, emphasizing teamwork and idea sharing. Through interactive sessions, attendees explore elements like plot development, character arcs, and world-building, pooling diverse perspectives for richer narratives. This workshop champions effective communication and synergy among participants, nurturing a platform for imaginative expression. It highlights the power of collaborative storytelling in fostering innovation and camaraderie. Students gain practical tools to create cohesive narratives, harnessing collective creativity for dynamic and engaging storytelling. The workshop underscores the potency of collaborative efforts in crafting compelling and impactful narratives.

Report for Science Communication -Language & Communication (2020-2021)

Invitation:

Date : 25.07.2020

Resource Person : A.Margret Kanimozhi,
Assistant Professor,
Department of Biotechnology
St. Joseph's College of Arts and Science for Women,
Hosur

Class : I – B.Sc Chemistry

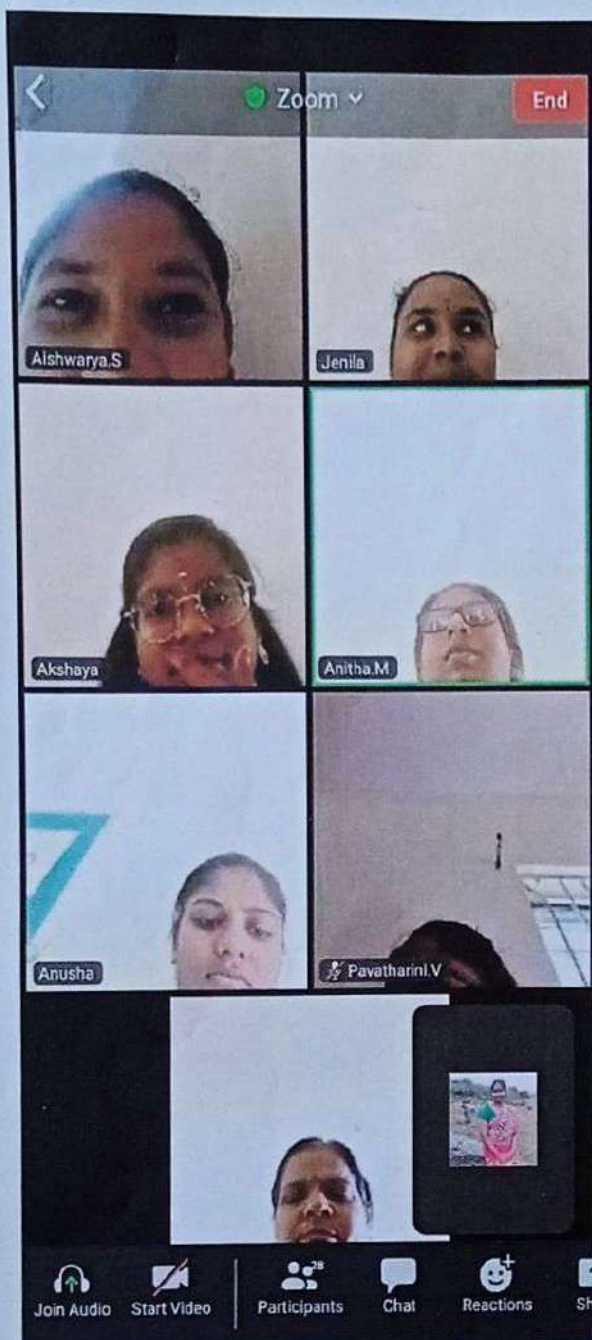

No of Beneficiaries : 30

Report

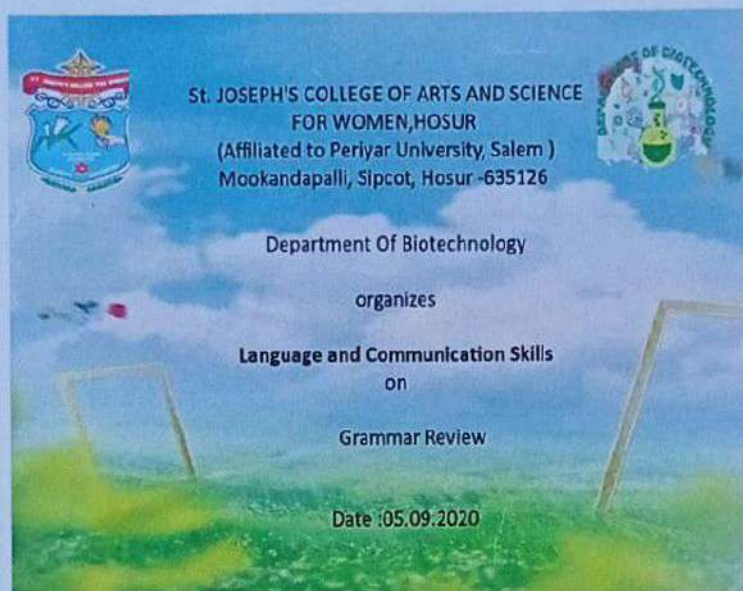

Mrs. A.Margret Kanimozhi, Assistant Professor in the Department of Biotechnology, presents a report on Science Communication for I B.Sc Chemistry students. The report delves into the art of effectively conveying scientific concepts to diverse audiences. It emphasizes clarity, accuracy, and engaging presentation techniques vital in disseminating complex ideas. Encouraging students to refine communication skills, the report underscores the significance of science communication in bridging the gap between scientific advancements and the public. Mastery of these skills cultivates an ability to articulate scientific knowledge clearly, fostering a deeper appreciation and understanding of chemistry within broader communities.

REPORT FOR GRAMMAR REVIEW ON LANGUAGE AND COMMUNICATION SKILLS

Date : 05.09.2020
Resource Person: Mrs. Ramya
Assistant Professor,
Department of Biotechnology,
St. Joseph's college of arts and science for Women,
Hosur
Class : II B.Sc Biotechnology
No of Beneficiaries: 33

Mrs. Ramya, Assistant professor, Department of Biotechnology, headed an online session on Grammar review for III – B. Sc (Biotechnology) students on 05.09.2020. Around 40 students participated in the session. Teaching grammar has been regarded as crucial to the ability to use language. For this reason, in this seminar, Mrs. Ramya has discussed a five-step procedure for teaching grammar, which incorporates the notions of practice and consciousness-raising, explicit and implicit knowledge, and deductive and inductive approaches for teaching grammar. The discussed steps are expected to be a useful way for understanding tenses and modals at college-university levels. Grammar gains its prominence in language teaching, particularly in English as a foreign language (EFL). The session was very interactive and useful for all the students.

Report on STORY BUILDING COLLABORATION–Language and communication skill (2020-2021)

Report for Interpersonal Communication Skills- Language and Communication Skills (2020-2021)

Invitation:

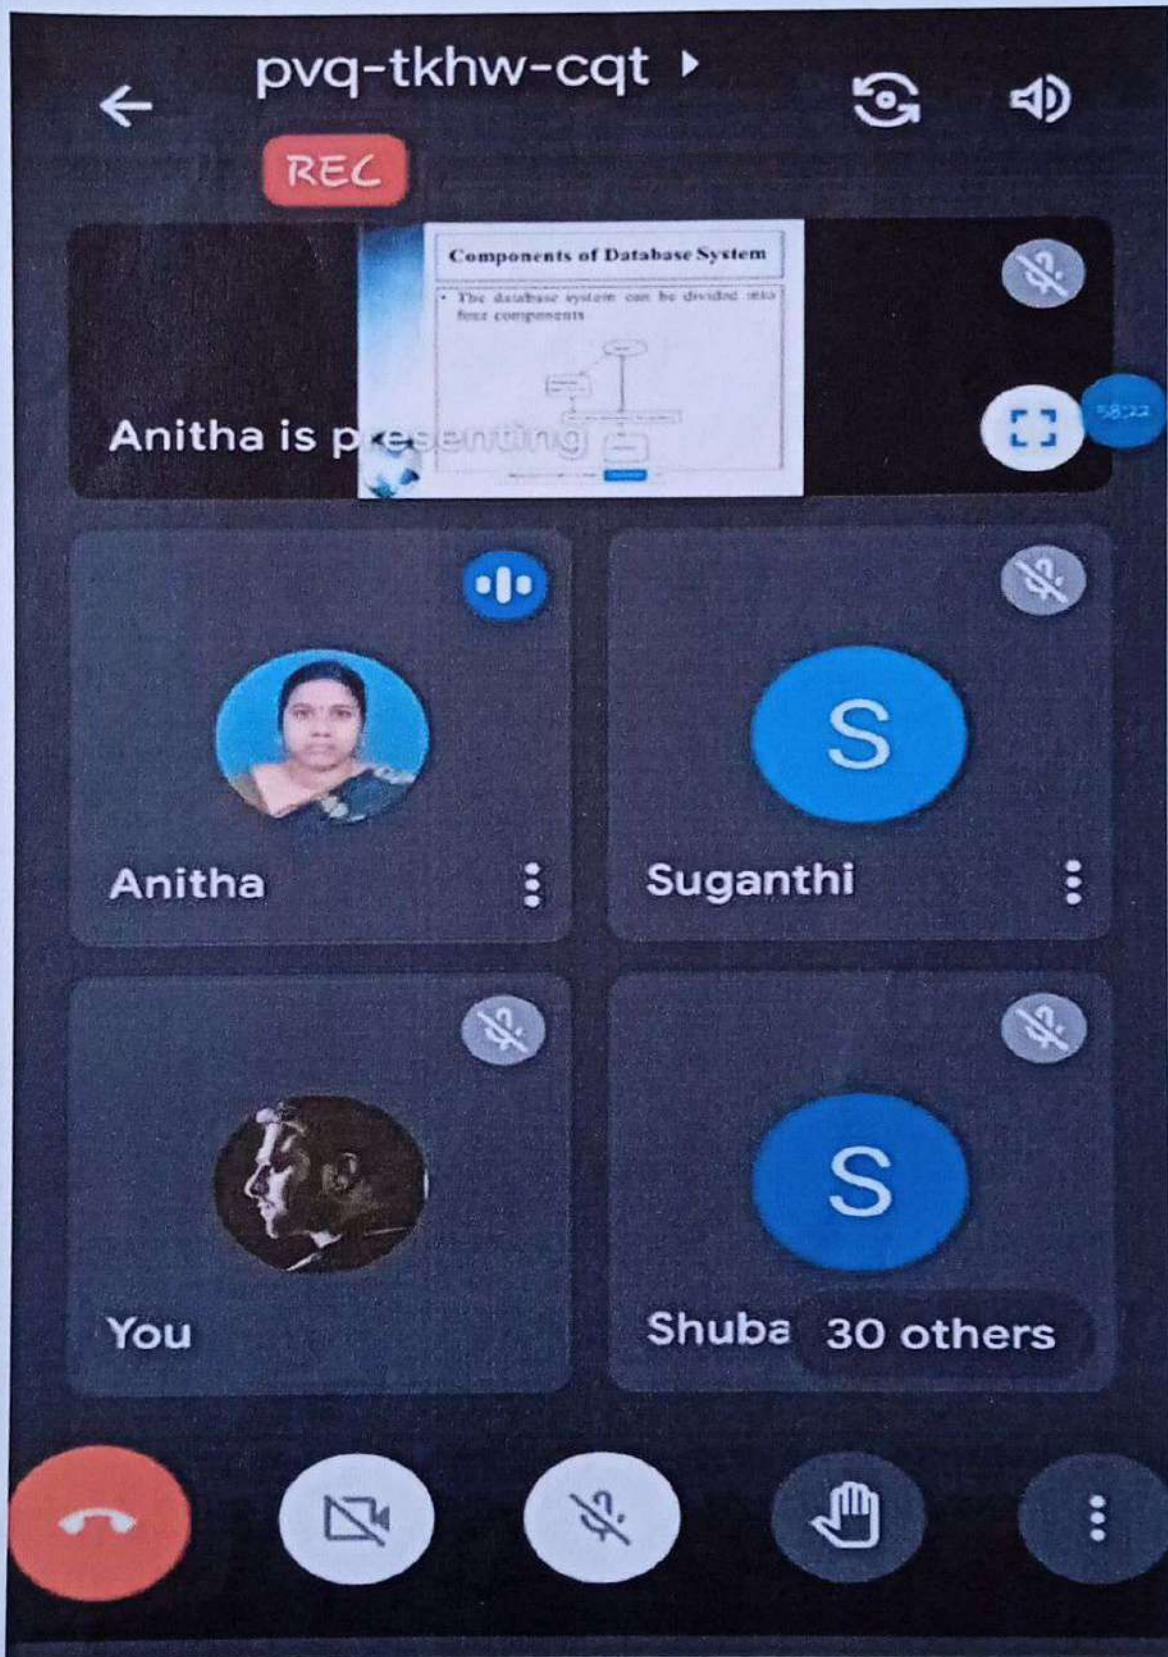

Date : 21.09.2020
Resource Person : Mrs. Magila.C
Assistant Professor,
Department of BBA (CA)
St. Joseph's College of Arts and Science for Women,
HOSUR
Class : I – BBA (CA)
No of Beneficiaries : 42

Report:

Interpersonal communication skills. Emphasizing the vital role language plays in professional success, she provided insights into effective verbal and non-verbal communication. Through interactive exercises, students honed active listening, empathy, and conflict resolution skills. Mrs. Magila stressed the importance of clear and concise expression in fostering positive relationships. As budding professionals in business administration, mastering these interpersonal skills is integral for collaboration and leadership. The session aimed to equip I BBA (CA) students with tools essential for effective communication in diverse professional settings.

Report for Role Playing Scenarios -Language and Communication skill (2020-2021)

Invitation:

Date : 10.10.2020

Resource Person : Mrs.T.Mahalakshmi
Assistant Professor,
Department of Mathematics ,
St. Joseph's College of Arts and Science for
Women,
Hosur

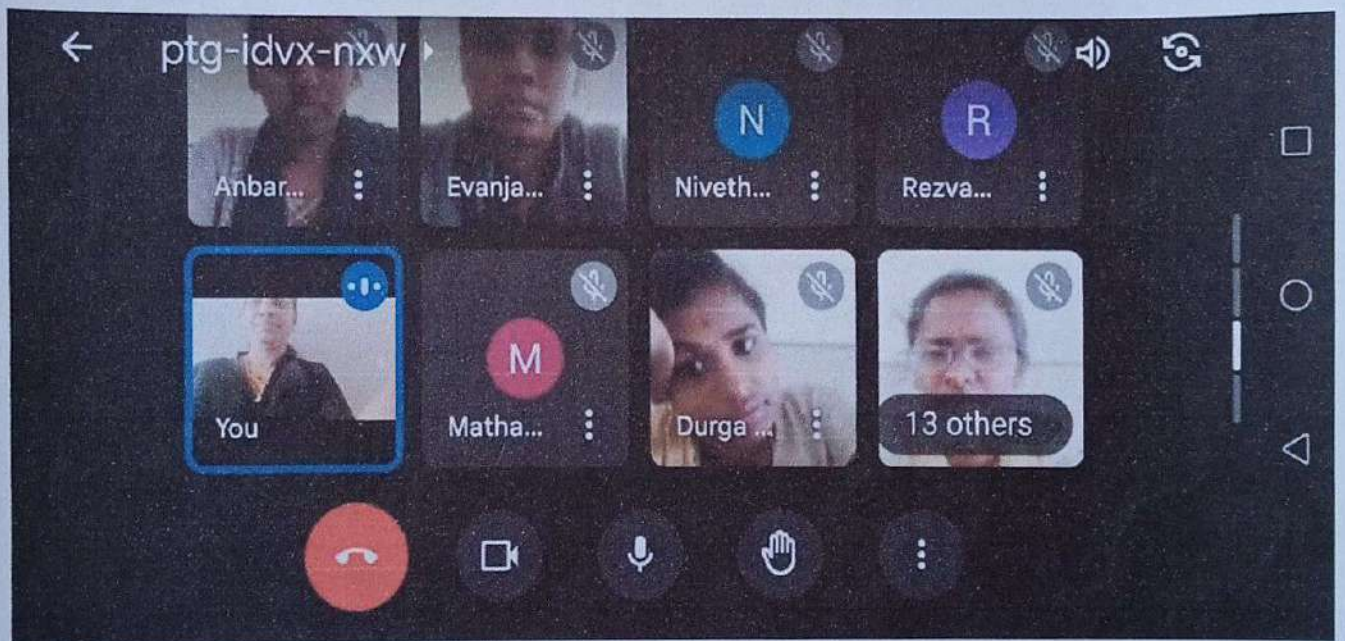

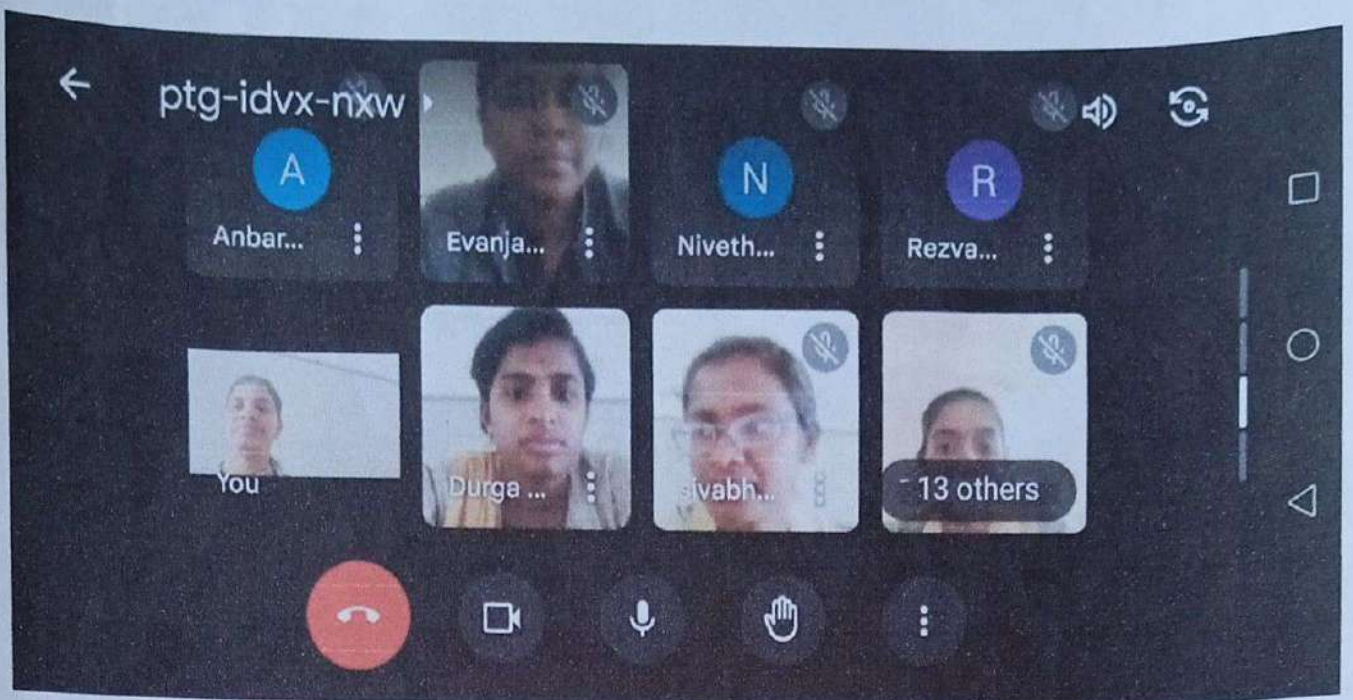

Class : II B.Sc (Maths)

No of Beneficiaries : 20

Report:

Mrs.T.Mahalakshmi, Assistant Professor in the Department of Mathematics headed the Language and Communication skill on Role Playing Scenario for II B.Sc Maths students. The session aimed to immerse students in practical applications of mathematical concepts through simulated real-life situations. Her skillful direction allowed the students to explore various scenarios, encouraging them to apply their knowledge practically while enhancing their communication and problem-solving skills. The session's success lay not only in its educational value but also in the enthusiasm and involvement it inspired in the students, creating a vibrant and dynamic learning experience

Report for Language and Communication Skills Role Playing Scenarios - (2020-2021)

Invitation:

Date : 24.10.2020
Resource Person : Ms. Monisha. U
Assistant Professor,
Department of English,
St. Joseph's College of Arts and Science for Women,
Hosur
Class : I B.A (English)
No of Beneficiaries : 25

Report:

Ms. Monisha. U, department of English has successfully conducted sessions on Role Playing Scenarios - Language and Communication Skills for I B.A (English) The Role-Playing Scenarios Workshop provides participants with a unique and immersive learning experience to enhance their interpersonal skills, problem-solving abilities, and adaptability in various situations. The workshop featured a skilled resource person who guided participants through practical role-playing exercises, offering valuable insights and strategies for effective scenario-based

interactions. She has successfully designed and implemented role-playing exercises to enhance communication, teamwork, and problem-solving skills. The Role-Playing Scenarios Workshop, has successfully empowered participants with essential skills for effective interpersonal communication, problem-solving, and adaptability. The combination of theoretical understanding, hands-on activities, and mentorship contributed to a dynamic learning environment, equipping participants to excel in real-world scenarios.

Report for Language and Communication – Nonverbal Communication (2020 -2021)

Invitation:

Date : 12.12.2020

Resource Person : Mrs. Geethanjali,
Assistant Professor,
Department of Computer Science,
St. Joseph's College of Arts and Science for Women, Hosur.

Class : II – B.Sc.(CS)

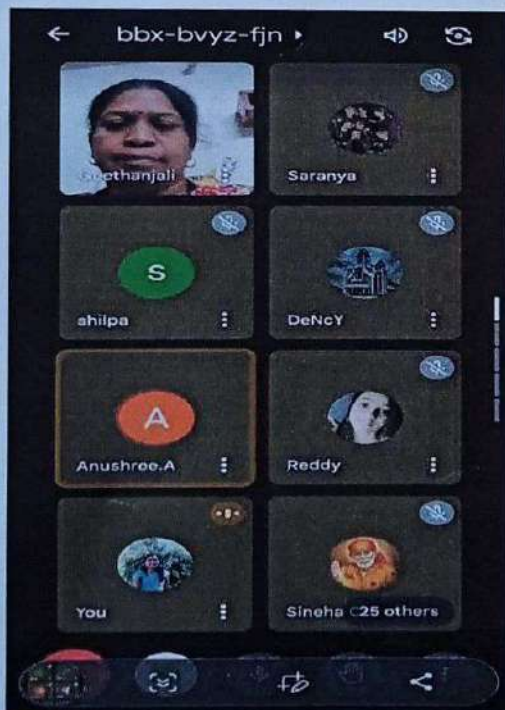

No of Beneficiaries : 34

Report:

Mrs. Geethanjali, Assistant Professor in the Department of Computer Science, conducted an enlightening Language and Communication Skill activity on Nonverbal Communication for II BSc(CS) students. The session delved into the nuances of nonverbal cues, including body language, gestures, and facial expressions, to enhance interpersonal communication. Through interactive exercises and real-world examples, students developed a heightened awareness of the impact of nonverbal signals in professional settings. Mrs. Geethanjali's insightful guidance equipped students with valuable skills to navigate the intricacies of workplace communication, promoting a holistic approach to effective interaction in their future roles in the field of computer science.
