## Invitation:

**St. Joseph's College of Arts and Science for Women, Hosur**

(Affiliated to Periyar University, Salem)  
Mookandapalli, Sipcot, Hosur - 635126

## Department of English

Organises a  
*Soft Skills Activity*  
On  
**Critical Thinking**

**DATE : 11.09.2021**

Date : 11.09.2021  
Resource Person : Mrs. V. Niranjana,  
Assistant Professor,  
Department of Computer Science,  
St. Joseph's College of Arts and Science for Women,  
Hosur  
Class : III B.A ENGLISH  
No of Beneficiaries : 41

## Report:

Mrs. V. Niranjana, Assistant Professor in the Department of Computer Science, facilitated a critical thinking soft skills activity for III B.A students, organized by the Department of English. The session aimed to enhance students' analytical and problem-solving abilities. Mrs. V. Niranjana employed various interactive exercises and real-life case studies to stimulate critical thinking. Participants were encouraged to question assumptions, evaluate evidence, and articulate well-reasoned arguments. Through engaging discussions and hands-on activities, students developed a deeper understanding of logical reasoning and decision-making processes. Mrs. V. Niranjana guidance fostered an environment where students felt empowered to express diverse viewpoints. The session not only honed critical thinking skills but also highlighted the relevance of these skills across academic disciplines.

Overall, the soft skill activity with Mrs. V. Niranjana proved to be an enriching experience, equipping students with essential cognitive tools for academic and professional success.

# Report for Self motivation - Soft Skill (2021-2022)

## Invitation:

Date : 11.09.2021

Resource Person : Mrs. P. Jayanthi,  
Assistant Professor,  
Department of Computer Science,  
St. Joseph's College of Arts and Science for Women, Hosur

Class : I B.COM A

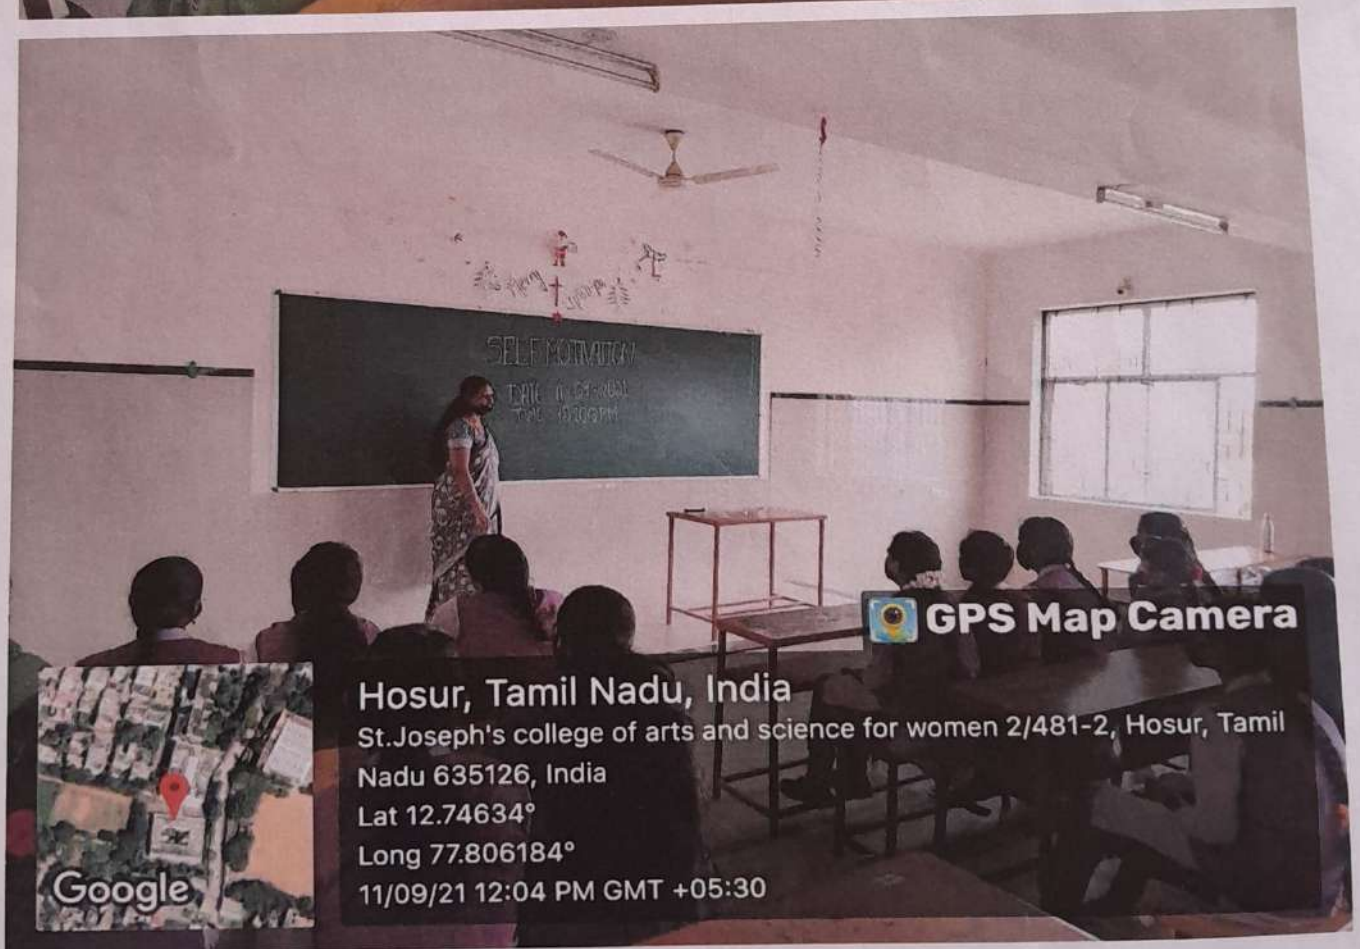

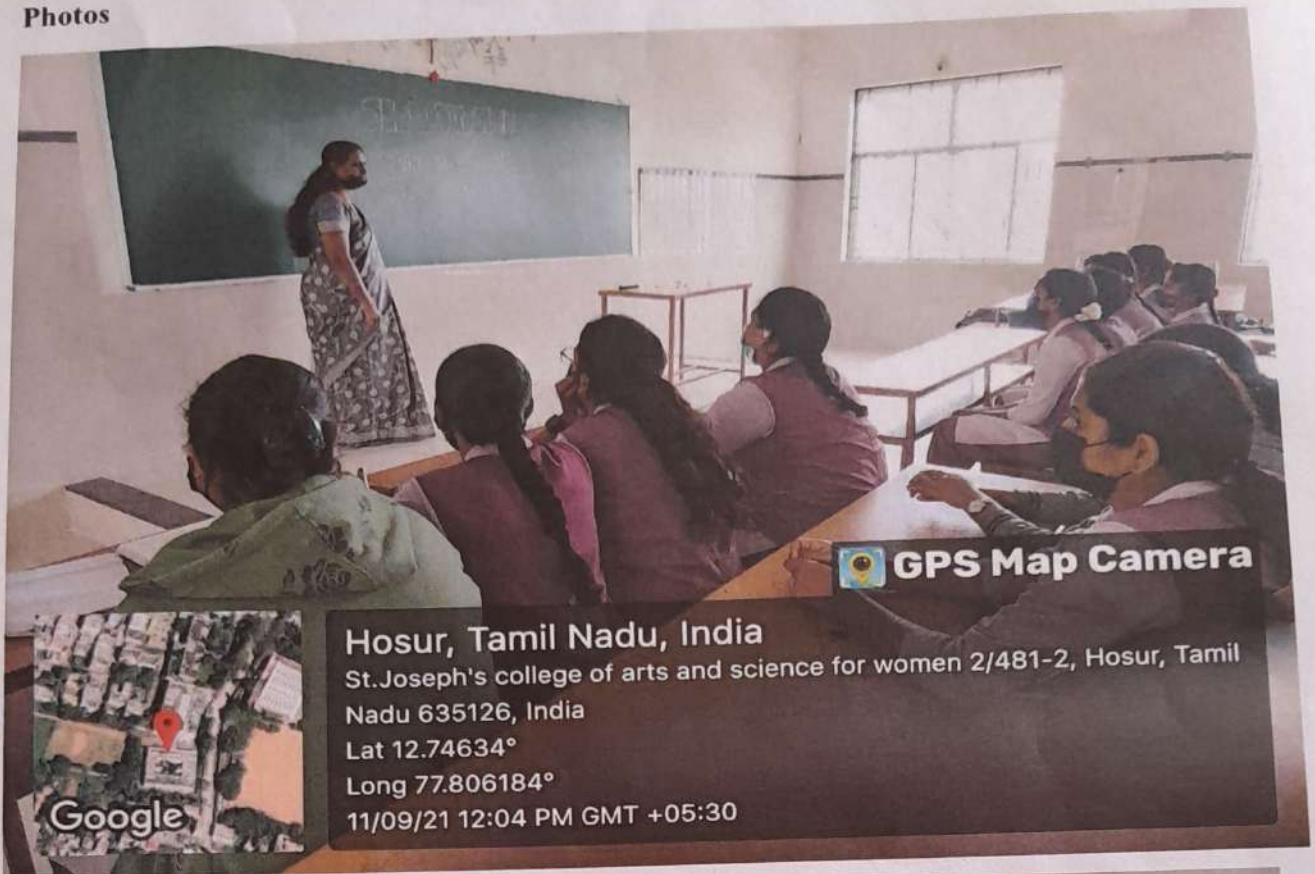

No of Beneficiaries : 56

**Report:** Mrs. P. Jayanthi, Assistant Professor in the Department of Computer Science, spearheaded a dynamic soft Skills activity for I B.COM A students on Self-Motivation, from this activity student can learn how to present their best self in whatever task they're doing. They become more resilient because achieving their goals takes time and effort. They have an eagerness to succeed because their passion drives them forward. Through engaging discussions and hands-on exercises, students honed their creative thinking and problem-solving skills. Mrs. P. Jayanthi expertise and interactive approach fostered an environment where students explored the practical applications of self-motivation.

**REPORT FOR SOFT SKILLS ON CREATIVITY AND INNOVATION (2021-2022)**

Date : 18.09.2021

Resource Person : Mrs. G. Banu Priya  
Assistant Professor,  
Department of Commerce,  
St. Joseph's College of Arts and Science for Women,  
Hosur.

Class : I – B.Sc Biotechnology

No of Beneficiaries : 41

## Report

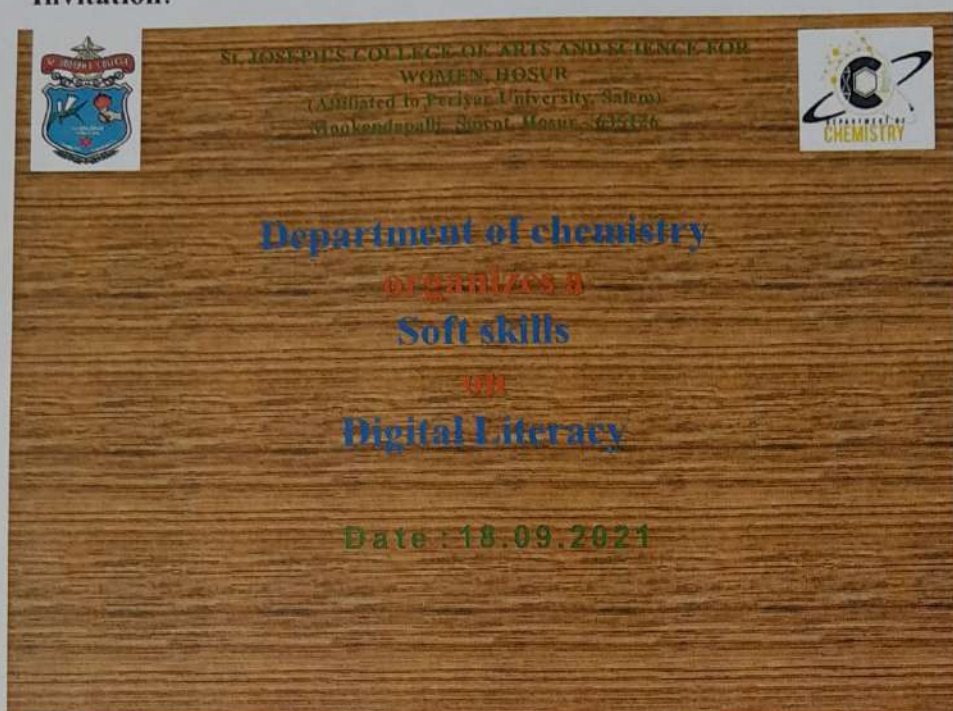

Mrs. G. Banu Priya, Assistant Professor in the department of commerce, spearheaded soft skill activity for I - B.Sc Biotechnology students on Creativity and Innovation. Through this session, students enhance their creativity, innovation, and problem-solving skills. And this session helps to learn their ability to navigate complex situations and seeking real world applications of knowledge can contribute to a mindset of innovation.

# Report for Digital Literacy-Soft skills (2021-2022)

## Invitation:

Date : 18.09.2021  
Resource Person : Ms. U.Monisha  
Assistant Professor  
Department of English,  
St. Joseph's College of Arts and Science for Women,  
Hosur

Class : II – B.Sc Chemistry

No of Beneficiaries : 30

## Report:

Ms.U.Monisha, Assistant Professor in the Department of English, introduces a report on Digital Literacy tailored for II B.Sc Chemistry students. The report navigates the importance of digital skills in today's landscape. It emphasizes proficiency in utilizing technology for research, communication, and data analysis within scientific domains. Encouraging students to embrace digital literacy, the report highlights its role in accessing and disseminating scientific information. Mastery of digital skills enhances efficiency, facilitating collaborative endeavors and empowering students to harness technology for scientific exploration. Embracing digital literacy enriches their academic journey, ensuring adeptness in the digital age's scientific advancements.

## REPORT FOR PROBLEM SOLVING ON SOFT SKILLS (2021-2022)

Date : 09.04.22

Resource Person : Mrs. Aswini,  
Assistant Professor,  
Department of Computer Science  
St. Joseph's College of Arts and Science for Women,  
Hosur.

Class : I – B.Sc., Biotechnology

No of Beneficiaries : 41

### **Report**

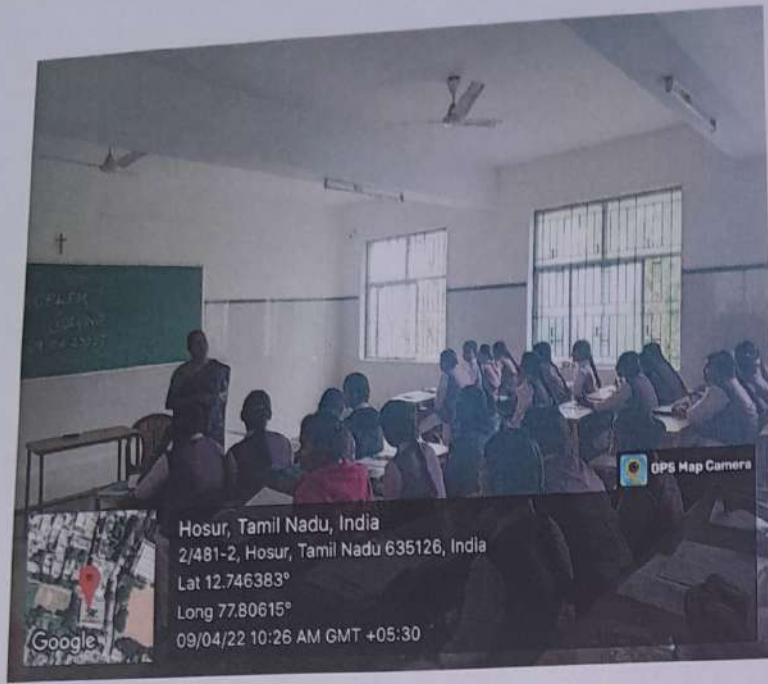

Mrs. G. Aswini, Assistant Professor in the Department of Computer Science, headed a soft Skills activity for I – B. Sc (Biotechnology) students on Problem Solving on 09.04.22. Speaking on the occasion, she discussed on the strategies to identify the Problem, Collect Relevant Information, Develop Alternatives, evaluate each Alternative, Select the Best Alternative, Implement the Decision, Follow-up and Evaluate. She also encouraged the students that everyone brings their own unique personalities and experiences to the decisions they make.

The tips given in the session seemed very useful and efficient to reduce the stress. The participants had a wonderful experience during the session. There were discussions in between and at the end of the session in which the doubts and queries of participants were resolved. The session gave the students an opportunity to learn how to solve the problems and make decisions on their own.

# REPORT FOR EFFECTIVE COMMUNICATION - SOFT SKILL (2021-2022)

## Invitation:

Date : 09.04.2022

Resource Person : Mrs.G.Amalredge  
Assistant Professor,  
Department of computer science  
St. Joseph's College of Arts and Science for Women,  
Hosur

Class : II-BBA (CA)

NoofBeneficiaries : 42

## Report:

In a recent session with I BBA (CA) students, Assistant Professor Mrs.G.Amalredge from the Department of Computer Science elucidated the significance of soft skills, focusing on "Effective Communication." Emphasizing its pivotal role in professional success, he delved into the art of conveying ideas clearly, active listening, and adapting communication styles. Mrs.G.Amalredge highlighted how mastering effective communication fosters collaboration and fosters a positive work environment. Students gained practical insights and techniques for honing this critical soft skill, recognizing its impact on their future careers. The session served as a foundational step in preparing students for holistic professional development.

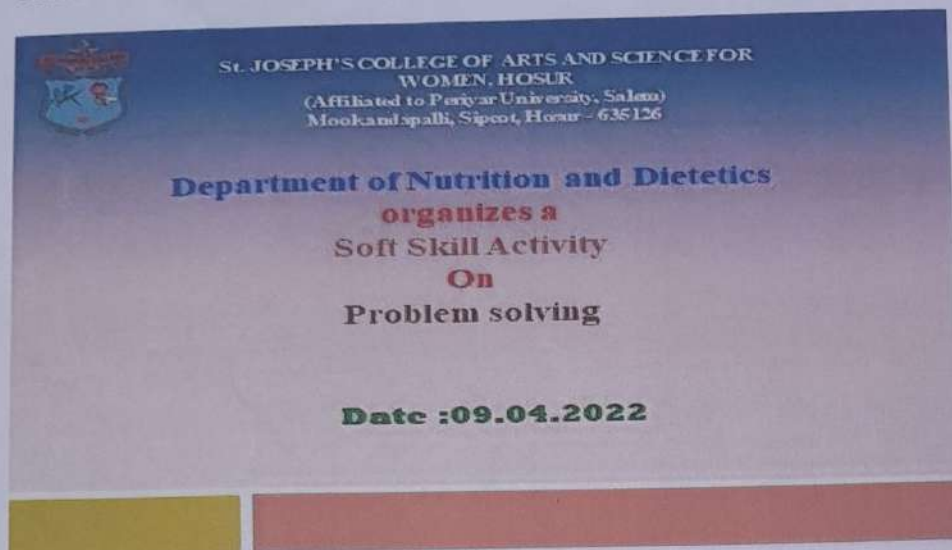

## REPORT FOR WORKSHOP ON PROBLEM SOLVING – SOFT SKILL (2021-2022)

### Invitation:

Date : 09.04.2022

Resource Person : Mrs.D.Saraswathi,  
Assistant Professor,  
Department of Management,  
St.Joseph's College of Arts and Science for Women, Hosur.

Class : II B.Sc Nutrition and Dietetics

No. of Beneficiaries : 16

### Report:

Department of Nutrition and Dietetics organized Soft skill workshop on problem solving. Mrs.D.Saraswathi, Assistant Professor, Department of Management was the resource person of the workshop. The Problem-Solving Workshop was a dynamic session designed to equip participants with robust strategies for addressing challenges effectively. Through interactive exercises, case studies, and collaborative problem-solving tasks, students honed their critical thinking and analytical skills. The workshop emphasized structured approaches to problem-solving, encouraging creative thinking and decision-making. Participants explored various methodologies, such as design thinking and root cause analysis, gaining practical tools to tackle complex issues. The workshop's engaging format facilitated a supportive environment for skill development. Equipped with enhanced problem-solving techniques, attendees left empowered to navigate obstacles with confidence and agility in diverse personal and professional spheres.
