Report for Certification course on Beautician

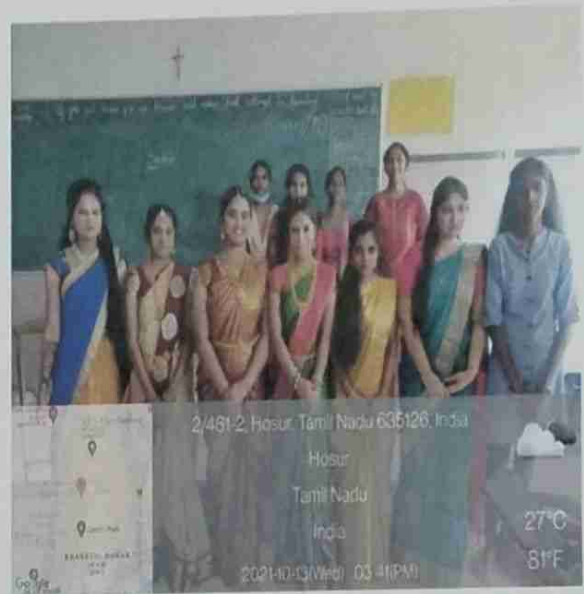

This course is designed to teach all the beauty tips. A total of 50 Students from II BCA and II B.Sc(CS) took part. The training was handled by two trainers. In this course, they cover the basics of beauty by using a set of simple tools. A beautician improves the physical looks of persons and helps them feel better about themselves. Some common services provided by beauticians might include Nail treatment and manicures and pedicures.

The beautician skills are Shampooing, cutting, styling, and coloring hair, as well as massaging and treating scalps. Applying makeup, performing facials, and recommending skincare therapies. Performing manicures and pedicures, nail art, and color recommendations. After completing their training in cosmetology, an

aspirant can either work as a beautician in any beauty salon or set up their own salon and help people look beautiful. Cosmetology has always been a good career option to people, who have got a sound aesthetic sense.

Anyone should be able to master in this course. The resource person demonstrated each concept. Beautician courses are a complete set of multiple courses dealing with Personal Grooming, Makeup, Skin Treatment, Hair Styling, Nail Arts, etc. The students enjoyed the session and learned a lot. Finally the course was explained with 30 hours. Students can now startup their own beauty parlor.
