Report: Corona Awareness Event

On October 29, 2021, an offline Corona Awareness Event was conducted in Muthuganapalli, with the participation of 15 students. The event aimed to educate the public about COVID-19 and promote preventive measures. Various topics were covered, including the importance of wearing masks, maintaining social distance, and practicing hand hygiene. Interactive sessions engaged attendees in discussions about vaccine efficacy and debunking common myths. Educational materials such as posters and brochures were distributed to reinforce key messages. This initiative highlighted the collective effort to combat the pandemic and emphasized the role of community awareness in safeguarding public health.
