

DEPARTMENT OF COMMERCE

NEWS LETTER 2022 - 2023

EDITOR'S DESK

It's my immense pleasure to publish the issue of newsletter comprising of the activities of the Department of Commerce for the academic year 2022 - 2023. The newsletter portrays the active participation of students and staff members.

HISTORY OF THE DEPARTMENT

The Department of Commerce was established since the inception of the college in the year 2006. The department started to function by offering two UG courses namely, B.Com and B.Com (C.A) and was also approved to offer PG courses – M.Com in 2011 and M.Phil in 2016. The Approval was granted to have two sections for B.Com (C.A) course from the academic year 2009 – 10.

The Department has a blend of both energetic young staff and the senior experienced ones striving to transform the students into women corporate leaders, skilled women entrepreneurs and above all great future citizens.

The students from diverse backgrounds are admitted every year which has grown massively from 8 students in 2006 to 643 students during 2018 - 19. The dedication of staff members and the effort of the students add a golden feather to the glorious cap by grabbing university ranks.

The students are honed not only in academics but also in the field of sports, cultural and other extension activities by making them champions in intra and inter collegiate competitions.

The commerce association named “COMMERCIO” conducts various activities like workshops, seminars, industrial visits and interdepartmental competitions every year to have an exposure with the outside world and to make the students competent in real life.

VISION OF THE DEPARTMENT

To impart knowledge and mould the students to realize their abilities and prepare them to face the challenges of the corporate world and above all make them good human beings.

MISSION STATEMENT

- Providing an ambience of learning incorporated with technology.

- Enabling the students to improve their standards through qualified staff.
- Involving the students in project work and activities leading to advancement through research and extension activities.
- Instilling the sense of responsibility towards the society.

OBJECTIVES

- To create a platform for students to explore their potentials.
- To provide education through practical knowledge making them self-employed.
- To motivate the students by preparing them with required levels of competence to meet the corporate needs.
