Report for Inculcating the Importance of Higher Education

The Extension Activity was organized by IQAC committee under the guidance of Naan Mudhalvan Scheme on 04 January 2024 to Zuzuvadi Higher Secondary School and Government Girls Higher Secondary School Hosur. Around 600 Students and 10 teachers visited the college.

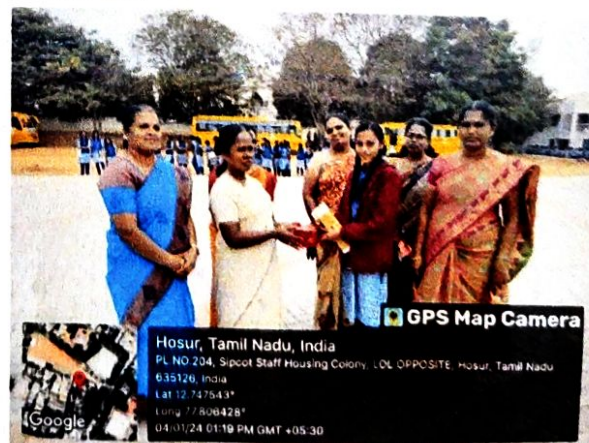

The recent visit of 12th-grade students from Zuzuvadi and Government Higher Secondary School to our college aimed at instilling the importance of education, particularly higher education. The event included a comprehensive campus tour, engaging interactions between college and school students in various departments, and informative sessions in the auditorium.

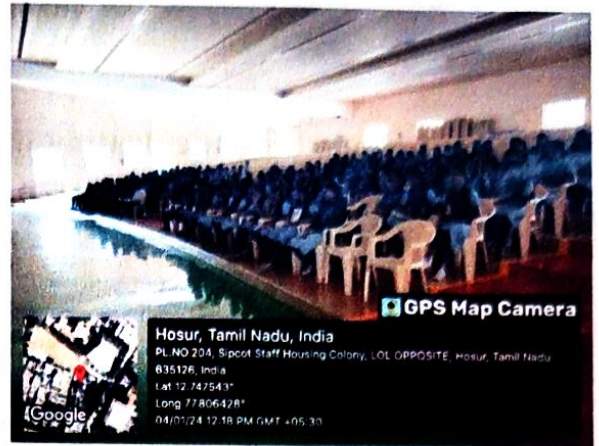

The students were welcomed with an insightful campus tour, providing them with a glimpse into the academic and extracurricular facets of college life. The tour emphasized the state-of-the-art facilities, well-equipped laboratories, and the vibrant library, aiming to inspire the visiting students about the possibilities that higher education could offer.

In the auditorium, a video presentation showcased the college's rich academic culture and the multitude of events that contribute to a holistic learning experience. The videos encapsulated the vibrant campus life, highlighting the importance of extracurricular activities alongside academics, promoting a well-rounded education.

The event incorporated a segment on career guidance also. Interactions with departmental students offered valuable insights into diverse academic disciplines, fostering curiosity and informed decision-making. The college management organized a gift-giving ceremony and hosted a special lunch as a token of their recognition for the continuous efforts put forth by the management in fostering an enriching educational environment.
