Recognised U/s 2(f) and 12(B) of the UGC Act
Mookandapalli, SIPCOT, Hosur - 635 126

Action Taken Report (2020-2021)

Based on the survey responses, it's evident that a significant portion of students across different programs perceive the curriculum positively in terms of relevance and satisfaction with outcomes. To capitalize on this, our action plan focuses on several key areas. The further analysis to understand specific aspects of the curriculum that resonate with students and those that may need enhancement. Additionally, Institution establish regular feedback mechanisms to ensure ongoing alignment with students' needs and industry requirements. To address the neutral stance among a minority of students, targeted communication campaigns will be initiated to encourage active engagement and address any concerns. Moreover, faculty development programs will be implemented to continuously improve teaching methods and content delivery. By fostering a dynamic feedback loop and enhancing faculty-student interaction, we aim to sustain and enhance the positive perception of our curriculum while addressing areas of improvement effectively.

Analysis of Curriculum Content

➢ Conduct a comprehensive review of the curriculum content across different programs to identify areas that may need updating or improvement.

➢ Establish a task force comprising faculty members, subject matter experts, and student representatives to analyze the current curriculum against industry trends and advancements.

Faculty Development

➢ Provide faculty members with professional development opportunities to stay updated with the latest industry practices and educational methodologies.

➢ Encourage faculty to collaborate with industry professionals for insights into current trends and practices.
