

2022 - 2023

OZONE DAY

The workshop commenced with the official inauguration of the Chemistry Forum, a platform aimed at fostering interdisciplinary collaboration and innovation in the field of chemistry. Dignitaries, including Dr. A. Silambarasu, delivered speeches emphasizing the importance of chemistry in addressing agricultural challenges and promoting sustainable practices. Special sessions were dedicated to commemorating Ozone Day, highlighting the significance of international efforts in protecting the ozone layer and mitigating climate change.

Dr. Silambarasu delivered a keynote address on the impact of agricultural practices on the ozone layer and the role of chemistry in mitigating ozone depletion. He promote awareness of chemistry's role in addressing environmental challenges, particularly the protection of the ozone layer. The event sought to foster collaboration among scientists, educators, policymakers, and the community to advance environmental sustainability through chemistry-based solutions.

The workshop conducted as part of the Ozone Day celebrations aimed to educate participants, particularly students, about sustainable practices in personal care product manufacturing, including soap, candle, and kajal making. By integrating hands-on activities with educational sessions, the workshop sought to raise awareness about the environmental impact of conventional products and promote eco-friendly alternatives.

The Soap, Candle, and Kajal Making Workshop held as part of the Ozone Day celebrations successfully combined education, creativity, and environmental awareness. By equipping participants with practical skills and knowledge, the workshop contributed to promoting sustainability and fostering a deeper appreciation for eco-friendly alternatives in personal care product manufacturing.

2022 - 2023

FIRELESS COOKING

The consumer club of St. Joseph's College of arts and science for women, Hosur organized a fireless cooking event on 2.11.2022. The event aimed to promote healthy, nutritious, and delicious food that can be prepared without using fire, gas, or electricity. The theme of the fireless cooking was "Zero Heat Maximum Flavor". The event attracted 30 students from different departments and streams, who participated in the fireless cooking competition.

The fireless cooking event was held in the Dining Hall of the college from 11 am to 12 pm. The participants were given a choice of five categories to prepare their dishes on: Salad, Sandwich, Dessert, Beverage, and Snack. The dishes had to be original, tasty, and appealing, and had to follow the theme of the event. The dishes had to be prepared using only raw, fresh, or ready-made ingredients, and had to be cooked without using any heat source. The participants were given 45 minutes to prepare their dishes and present them to the organizers.

The event was a success, as it showcased the talent and enthusiasm of the students, and generated awareness and interest in fireless cooking. The participants expressed their satisfaction and appreciation for the opportunity to learn and experiment with fireless cooking. The organizers received positive feedback from the participants and thanked them for their participation and cooperation.

2022 - 2023

HUMAN RIGHTS DAY

On December 10th, 2022, St. Joseph's College of Arts and Science for Women observed Human Rights Day, marking the anniversary of the adoption of the Universal Declaration of Human Rights (UDHR) by the United Nations General Assembly in 1948. The event aimed to raise awareness about human rights issues globally and inspire students to reflect on the importance of upholding human rights principles in their daily lives.

The commemoration primarily consisted of speeches delivered by the faculty. The session was attended approximately by 20 Students. Speeches highlighted the significance of Human Rights Day and emphasized the fundamental principles outlined in the UDHR, including equality, justice, and dignity for all individuals.

The speaker discussed various human rights challenges faced around the world, ranging from gender inequality and discrimination to refugee rights and environmental justice. They underscored the importance of solidarity and collective action in addressing these issues and urged students to become active participants in promoting human rights within their communities.

CONSUMER CLUB

ORGANIZES

"MINORITY RIGHTS DAY" CELEBRATION

18.12.2022

Minority Rights Day is observed annually on December 18th to highlight and promote the protection of minority rights across the globe. This day serves as a reminder of the importance of upholding the rights and freedoms of all individuals, regardless of their race, ethnicity, religion, or cultural background.

The significance of Minority Rights Day lies in its emphasis on fostering inclusivity, tolerance, and diversity within societies. It acknowledges the challenges faced by minority groups in accessing equal opportunities,

representation, and justice. Discrimination, persecution, and marginalization continue to threaten the rights and well-being of minorities in various parts of the world.

Minority Rights Day is a global day for communities, organizations, and governments to combat discrimination and promote equality. Around 20 students attended a session, advocating for minority rights and dignity, promoting universal principles of justice and diversity.

2022 - 2023

FOOD DAY CELEBRATION

On October 16, 2022, the Department of Nutrition and Dietetics organized an awareness program in celebration of Food Day, accompanied by a lively fireless cooking competition tailored for the staff members. The event was orchestrated with the dual purpose of promoting healthy dietary practices and fostering a sense of culinary innovation among the participants. The awareness program commenced with enlightening sessions that underscored the significance of Food Day, emphasizing the pivotal role of nutritious food choices in cultivating overall well-being. Staff members were provided with insightful guidance on making informed dietary decisions, with a focus on incorporating wholesome ingredients and balanced nutrition into their daily routines. Following the educational segment, the fireless cooking competition infused an element of creativity and camaraderie into the event. Teams of staff members eagerly embraced the challenge of preparing delectable dishes without traditional cooking methods, showcasing their ingenuity and teamwork in the process. Judges meticulously evaluated each dish based on criteria such as taste, nutritional value, presentation, and adherence to fireless cooking principles. From vibrant salads to hearty soups and desserts, the competition yielded a diverse array of culinary creations that reflected the participants' dedication to healthy eating and culinary excellence.

2022 - 2023

HAND WASH DAY CELEBRATION

On October 15, 2022, Green Waves organized a Hand Washing Day event, which saw the active participation of students from St. Joseph College of Arts and Science. The students took the initiative to raise awareness about the crucial importance of hand washing in maintaining personal hygiene and preventing the spread of diseases. Through various activities and campaigns, they emphasized the significance of proper hand washing techniques in combating illnesses and promoting overall health.

During the event, the students demonstrated the correct steps of hand washing, highlighting the necessity of using soap and water and thoroughly scrubbing for at least 20 seconds. They elucidated how proper hand hygiene can significantly reduce the transmission of harmful bacteria and viruses, thereby safeguarding individual and community health. By engaging in practical demonstrations, they illustrated the effectiveness of hand washing in eliminating germs and pathogens from hands, underscoring its role as a fundamental aspect of disease prevention.

The Hand Washing Day event served as a testament to their commitment to public health and their proactive approach towards fostering positive behavioural changes for the well-being of society.

WORLD MUSIC DAY

St. Joseph's college of Arts and Sciences For
Women, Hosur
(Affiliated to periyar University,salem)

EVENT: World Music Day

IN THE HONORABLE PRESENCE OF
Rev. Sr. Dr. Helen
Secretary

Date: June 21

St. Francisco Auditorium

On June 21st, the St. Francisco Auditorium was alive with the vibrant sounds of cultures coming together to celebrate World Music Day. The event showcased a rich tapestry of musical traditions from around the globe, featuring performances that ranged from classical orchestral pieces to rhythmic beats and melodies from various genres. Musicians and artists, both local and international, took to the stage with passion and flair, captivating the audience with their virtuosity and creativity. Each performance was a testament to the power of music to transcend language and cultural barriers, fostering a sense of unity and connection among attendees.

2022 - 2023

COCONUT DAY

The Department of Nutrition and Dietetics organized Coconut Day on September 26, 2022, with a focus on promoting healthy eating habits through the utilization of coconut-based recipes. The event showcased a variety of nutritious dishes prepared using coconut as a primary ingredient. Participants were treated to a display of innovative recipes ranging from coconut-based desserts to savoury dishes, highlighting the versatility and health benefits of this tropical fruit.

Throughout the event, discussions centred on the nutritional value of coconut and its potential contributions to a balanced diet. Experts emphasized the rich content of vitamins,

minerals, and healthy fats found in coconut, which can support overall health and well-being when incorporated into meals mindfully.

Overall, Coconut Day served as an insightful and engaging initiative aimed at promoting awareness of healthy eating practices and encouraging individuals to explore the nutritional benefits of incorporating coconut into their diets. By fostering a deeper understanding of the culinary potential of coconut, the event inspired attendees to make informed food choices that prioritize health and wellness.

DEPARTMENT OF NUTRITION AND DIETETICS

ORGANIZES A

ORGANIC DAY

Date : 22.09.2022

On September 22, 2022, the Department of Nutrition and Dietetics orchestrated a significant Organic Day event aimed at raising awareness about sustainable living practices. Mrs. Margaret Kanimozhi, the Head and Assistant Professor of the Biotechnology Department, played a pivotal role in educating attendees about the importance of Organic Day and delving into the unique characteristics of the snake plant, an ornamental variety known for its air-purifying capabilities. During her informative session, Mrs. Margaret Kanimozhi underscored the significance of Organic Day as a platform to highlight the benefits of organic living and environmental sustainability.

In her discussion about the snake plant, Mrs. Kanimozhi elucidated its remarkable ability to convert air pollutants into oxygen through a process known as photosynthesis. This characteristic makes the snake plant not only a visually appealing addition to indoor spaces but also a natural air purifier, contributing to improved indoor air quality. Her session served as a catalyst for promoting environmental consciousness and encouraging individuals to embrace sustainable practices in their daily lives. Through events like Organic Day and informative sessions led by experts like Mrs. Margaret Kanimozhi, the Department of Nutrition and Dietetics continues to inspire positive environmental action and foster a culture of sustainability within the community.

2022 - 2023

National Nutrition Week Celebration

The Department of Nutrition and Dietetics marked the National Nutrition Week on March 9, 2022, commencing at 10:00 am in the Nutrition Lab. The event witnessed enthusiastic participation from students across various departments, who actively engaged in a series of competitions designed to promote nutritional awareness. Among the highlights were competitions such as poster making and cooking, which not only showcased creativity but also emphasized the importance of healthy eating habits. The event served as a platform for fostering a deeper understanding of nutrition among participants, fostering a culture of holistic well-being within the academic community.

2022 - 2023

WORLD DIABETIC DAY

The World Diabetic Day event, organized by the Department of Nutrition and Dietetics, aimed to raise awareness about diabetes among first-year B.Sc students. The event focused on educating participants about the prevention, management, and dietary strategies for diabetes control. The event commenced with an inaugural ceremony led by Prailin, Assistant Professor, Department of Nutrition and Dietetics, St. Joseph college of arts and science for women, hosur. Informative seminar was conducted. Topics covered included the types of diabetes, risk factors, symptoms, complications, and

lifestyle modifications for diabetes management. Participants gained valuable insights into the importance of balanced nutrition, physical activity, and medication adherence in controlling blood sugar levels and preventing diabetes-related complications.

2022 - 2023

DIWALI CELEBRATION

The Diwali festivity of 2022 unfolded uniquely with an exclusive focus on Rangoli, weaving a tapestry of color and culture across the campus. Students showcased their artistic finesse in a Rangoli-making extravaganza, turning every corner into a vibrant canvas of intricate patterns and designs. The event featured a spirited competition that inspired participants to blend traditional motifs with contemporary twists, resulting in a stunning array of Rangolis adorning key areas of the university. The celebration radiated a sense of unity and cultural pride as students worked collaboratively to infuse the campus with the spirit of Diwali. In addition to the visual splendor, the event included cultural performances, adding a dynamic element to the festivities. As the campus lit up with the warm glow of diyas and the fragrance of festive treats filled the air, the Rangoli-centric Diwali celebration emerged as a remarkable fusion of tradition and artistic expression.

2022 - 2023

CHILDRENS DAY CELEBRATION

Children's Day is a special occasion celebrated in many countries around the world to honour children and promote their well-being. While the specific date varies from country to country, the Universal Children's Day is observed on November 20th, as designated by the United Nations. The event celebrated on November 14th, it started with Prayer song and Bible reading.

The celebration of Children's Day often involves various activities aimed at entertaining and educating children while highlighting their rights and

The college celebrated Children's Day with exuberance and joy, fostering a vibrant atmosphere for students.

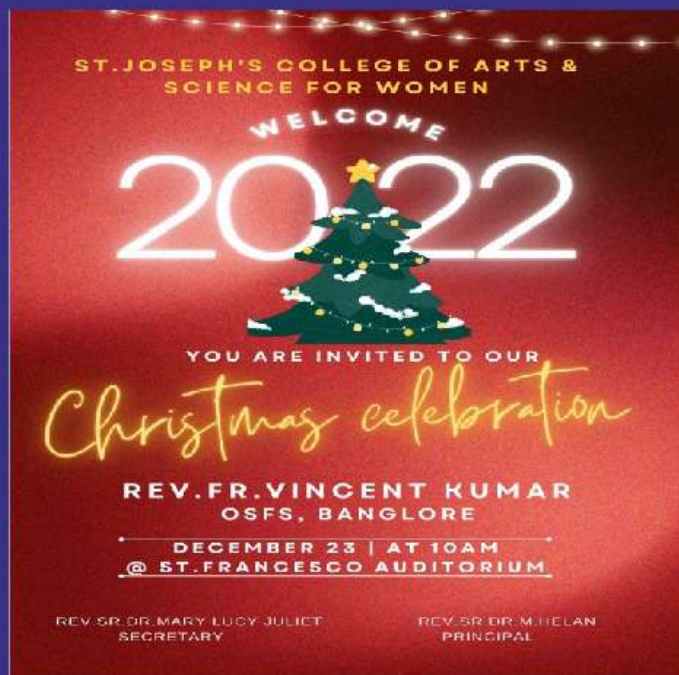

Colourful decorations adorned the campus, creating a festive ambiance. Overall, it was a heart-warming day fostering unity and joy.

The students from all the departments celebrated the day with children's day preparation and students recited Through this celebration, the college community not only cherishes its roots but also embraces the values of gratitude, collaboration, and the joy of communal festivities concluded with vote of thanks.

2022 - 2023

CHRISTMAS DAY CELEBRATION

The Christmas celebration in college transforms the campus into a haven of festive cheer. Adorned with twinkling lights and ornaments, the atmosphere brims with warmth and merriment.

The teaching staff enacted the birth of Jesus Christ followed by Christmas carol by the teaching and supportive staff.

As the college community gathers to celebrate Christmas, it reinforces the values of compassion, unity, and the joy of sharing in a harmonious tapestry of traditions.

Christmas was celebrated on 23rd December in St. Francesco Auditorium. The chief guests were Rev. Fr. Vincent Kumar, Provincial OSFS and Rev. Fr. Victor Devaraj, Spiritual director, Sacred Heart Seminary, Chennai.

Faculty to share in the spirit of giving, exchanging gifts and heartfelt wishes. Carols resonate through the halls, infusing the air with joyous melodies. Special events like themed parties and charity drives embody the true essence of the season. The celebration bridges cultural diversity, uniting everyone in a shared celebration of love and togetherness.

2022 - 2023

ONAM CELEBRATION

The Institution celebrated Onam celebration in 2022 took on a unique and serene character as students opted for a celebration focused solely on the artistry of Pookalam. Eschewing the grandeur of elaborate feasts and other festivities, the college community came together to create breathtaking flower rangolis at various locations across the campus. The entrance areas, courtyards, and open spaces were adorned with vibrant and intricate Pookalams, showcasing the creativity and teamwork of the students. The emphasis on Pookalam allowed for a quieter, reflective celebration, where students expressed their cultural pride through the ephemeral beauty of flowers. The college ambiance was filled with the sweet fragrance of blossoms, creating a tranquil and picturesque environment. This minimalist yet meaningful celebration demonstrated the students' appreciation for the artistic and traditional aspects of Onam, fostering a sense of unity and cultural pride within the college community.

2022 - 2023

PONGAL CELEBRATION

Pongal celebration in college is a vibrant ode to South Indian culture and harvest festivities. Student Affairs Committee organized the Pongal celebrations on 13th January 2023 in the college ground.

The campus buzzes with anticipation as students and faculty come together to mark this traditional Tamil festival. Colorful kolams adorn the pathways, and the aroma of freshly cooked Pongal rice fills the air. The event kicks off with a traditional Pongal pot boiling ceremony, symbolizing abundance and prosperity. Students clad in traditional attire showcase their cultural heritage through music, dance, and folk performances.

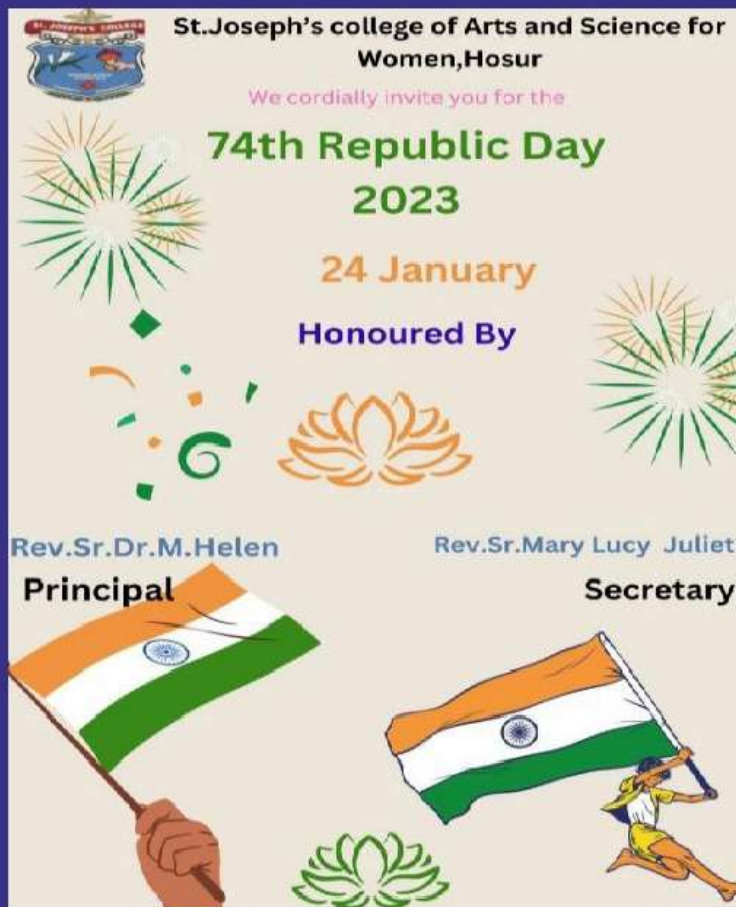

The students from all the departments celebrated the day with Pongal preparation and students recited Tamil poems and danced for folk songs. The Pongal prepared was distributed to all the students.

Through this celebration, the college community not only cherishes its roots but also embraces the values of gratitude, collaboration, and the joy of communal festivities.

2022 - 2023

Republic Day Celebration

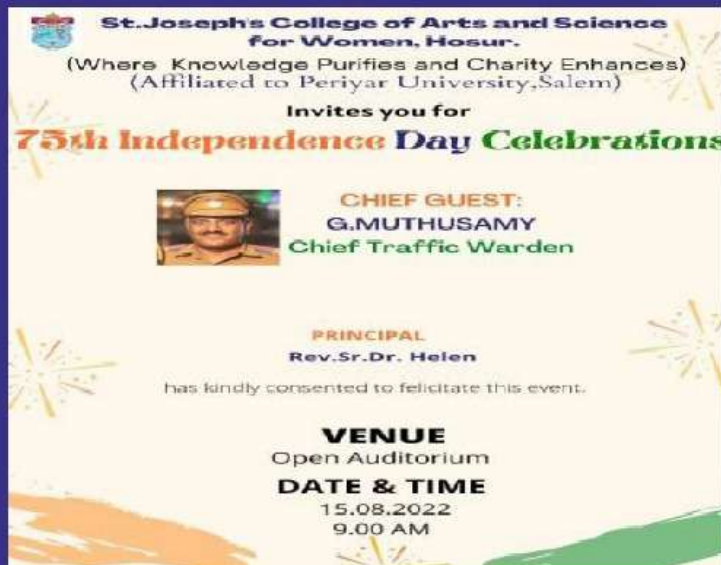

Republic Day, which formally declared India as a sovereign, socialist, secular, and democratic republic, is celebrated with immense enthusiasm across the country. This occasion serves as a poignant reminder to citizens of their shared history, sacrifices, and the ongoing commitment to upholding liberty, diversity, and progress.

St. Joseph's College of Arts and Science for Women in Hosur celebrated the 74th Republic Day with great enthusiasm and patriotic fervor. In our college we celebrated Republic Day on 26th January. The event started with a prayer song and a patriotic song. We conducted an event named Just a Minute. The topics related to Patriotism were given. Students from various departments choose a topic and spoke about it. The participants gave wonderful speeches. They were appreciated. The event concluded with a vote of thanks.

2022 - 2023

Independence Day Celebration

Independence Day celebrations in college ignite patriotic fervor, commemorating the nation's freedom. The campus transforms into a tapestry of tricolor decorations, resonating with pride and unity.

Student Affairs Committee organized the Independence Day celebration on 15th August 2022, and the chief guest of the day was Mr. G. Muthusamy, Chief Traffic Warden, Hosur. The event included Flag hoisting by chief guest, Patriotic dance and speech.

Student Affairs Committee Conducted various competition for the 75th Independence Day celebration.

Students and faculty gather for flag hoisting, singing the national anthem with unwavering enthusiasm. Inspirational speeches, cultural performances, and band highlight the significance of this historic day. Through these activities, students deepen their understanding of the country's heritage. The celebration fosters a strong sense of national identity, reminding everyone of the sacrifices made for liberty. In embracing the past, the college community renews its commitment to a progressive and inclusive future for the nation.

2022 - 2023

Liquid Waste Awareness Program

The Swachh Bharath Committee of St. Joseph's college of arts and science for women, Hosur organized a 'Liquid Waste Awareness' on 16.03.2023. The campaign aims to achieve the vision of 'Liquid Waste Awareness' by 16th march 2023.

Our College students actively participated in the Swachh Bharat by organizing a cleanliness drive in Hosur, Government Primary School to promote awareness among primary school students about the importance of self-cleaning and proper disposal of liquid waste.

Engaging sessions were conducted using interactive and creative methods tailored to the understanding level of primary school students. Students were encouraged to participate in group discussions to share their thoughts and experiences related to liquid waste management. This fostered a sense of community involvement and encouraged peer-to-peer learning. Practical demonstrations were conducted to demonstrate simple techniques for self-cleaning and responsible disposal of liquid waste. Students were shown how to segregate different types of waste and dispose of liquid waste in designated areas. Increased awareness among students about the importance of self-cleaning and proper disposal of liquid waste.

The liquid waste awareness program conducted at S. Muduganapalli Government Primary School was successful in sensitizing students to the significance of responsible waste management. Liquid waste management is a critical aspect of environmental sustainability. Improper disposal of liquid waste can lead to pollution of water bodies, soil degradation, and health hazards. This report highlights efforts and strategies to raise awareness about the importance of proper liquid waste management.

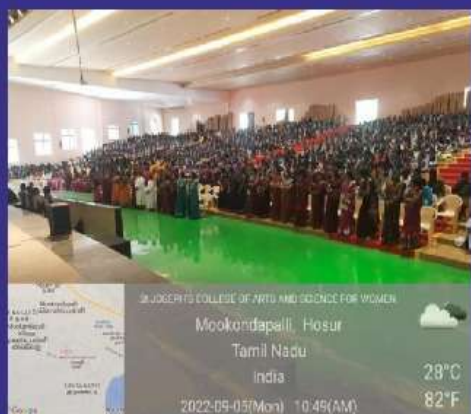

2022 - 2023

TEACHER'S DAY REPORT

On the vibrant occasion of Teachers' Day, the halls of St. Joseph's College were alive with the spirit of appreciation and gratitude towards the guiding lights of academia. The students, brimming with enthusiasm, orchestrated a heartfelt tribute to their mentors through a splendid array of performances.

The festivities commenced with a soul-stirring song, resonating with lyrics of admiration and respect for the teachers who illuminate the path of knowledge. This melodious ode set the tone for the day, infusing the atmosphere with warmth and camaraderie.

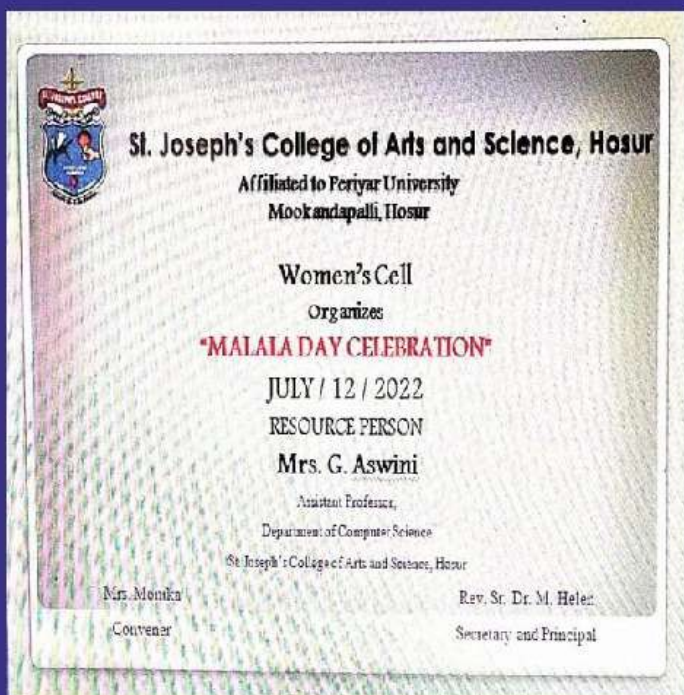

Following the musical tribute, the stage came alive with mesmerizing dance performances choreographed by the students. Each dance embodied the appreciation for the invaluable wisdom imparted by the teachers, creating an enchanting spectacle of rhythm and grace.

In addition to artistic expressions, the students organized engaging games and activities, fostering a sense of unity and joy among all present. Laughter and cheer filled the air as participants immersed themselves in friendly competition, strengthening the bond between students and educators.

As the day drew to a close, the college reverberated with heartfelt applause and expressions of gratitude. Through their creative endeavors, the students conveyed profound appreciation for the unwavering dedication and guidance of their teachers, making this Teachers' Day celebration a memorable testament to the enduring impact of education and mentorship.

2022 - 2023

MALALA DAY CELEBRATION REPORT

On the auspicious occasion of Malala Day 2022, St. Joseph College of Arts and Science organized a memorable celebration to honor the remarkable contributions of Malala Yousafzai towards girls' education and advocacy for children's rights. The event, held on 12.07.2022, brought together students of I BCOM 'A', faculty, and esteemed guests to reflect upon Malala's inspiring journey and to reaffirm our commitment to promoting education for all. Aswini, Assistant Professor in the Department of Computer Science, St. Joseph's College of Arts and Science, graced the occasion as the esteemed chief guest. Her presence added immense value to the event, inspiring attendees with her words of wisdom and dedication to the cause of education.

Aswini delivered a thought-provoking keynote address, emphasizing the importance of education in fostering social change and empowering marginalized communities. She shared insights from her own experiences and encouraged students to be catalysts for positive transformation in society.

Overall, the Malala Day celebration of 2022 was a resounding success, leaving a lasting impression on all who attended and reaffirming our commitment to the principles of education, equality, and social justice.

2022 - 2023

INTERNATIONAL DAY OF ELDERS

The International day of Elders is observed annually on October 1st to raise awareness about issues affecting the elderly and to appreciate their contributions to society.

Alumni of our college gathered to celebrate the International Day of Elders with a Visit to Sion Malai, Chennathur on 02.10.2022. The day was marked by a spirit of giving and companionship as we provided provisions and cleaned the home for the elderly residents. It was heartening to see the smiles on their living space.

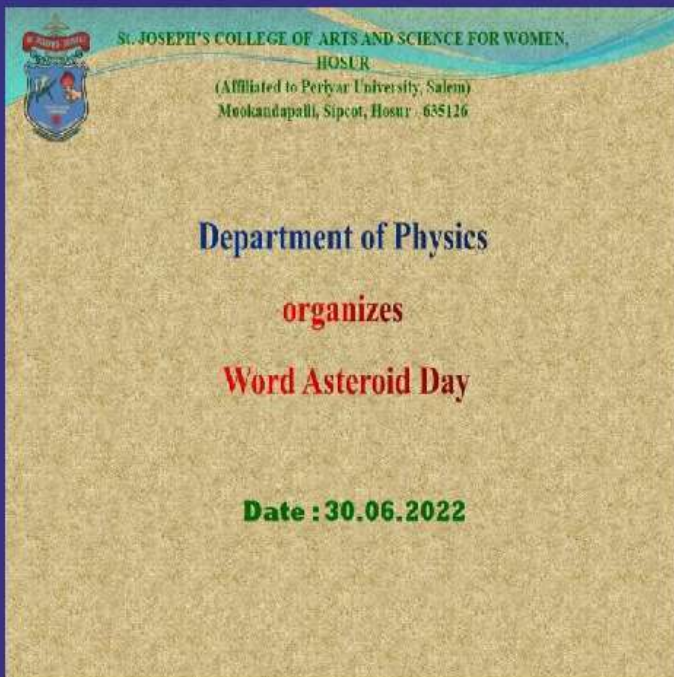

Alumni members shared important issues of elder abuse awareness, and accessing healthcare services.

The International Day of Older persons provided a meaningful opportunity for the Alumni Association to demonstrate its commitment to serving the community, particularly its elderly members. Through a range of activities and initiatives, we celebrated the contributions of older person and reaffirmed our dedication to supporting their dignity, rights, and well-being.

2022 - 2023

WORLD ASTEROID DAY

On World Asteroid Day, June 30, 2022, the Department of Physics organized a special event involving 23 students to raise awareness about asteroids and their potential impact on Earth. The day began with informative sessions led by faculty members, discussing the science of asteroids, their composition, and their trajectories.

In the afternoon, a PowerPoint Presentation competition was held, inviting students to express their thoughts and ideas on the significance of asteroid research and the importance of planetary defense strategies. Participants showcased their creativity and knowledge, highlighting various aspects such as the role of space missions, potential threats, and mitigation techniques.

The event fostered a deeper understanding among the participants about the importance of studying asteroids and the need for international collaboration in planetary defense efforts. It also provided a platform for students to showcase their talents and engage in meaningful discussions about space science and exploration.

The PowerPoint presentation contest effectively met its objective of educating students on conservation and the crucial role of the world Asteroid. It highlighted the fact that through artistic expression, we can motivate positive actions and help shape the future.

2022 - 2023

ALUMNI MEET AND FRIENDSHIP DAY CELEBRATION

The Alumnae Association of St. Joseph's college of Arts and Science for women, Hosur, Organized a vibrant and nostalgic celebration to commemorate Friendship day on 06.08.2022. The event started at 10.00am and aimed to rekindle bonds among former classmates and foster a sense of camaraderie among alumni.

The event commenced with a warm welcome by Ms.E.Vinodhini, Vice President. Then Ms. Ruhitha Parwesh, president proceeded with the presentation of the college report highlighting the various milestones reached in the past year.

The event commenced with a warm welcome extended to all alumni. Attendees were encouraged to mingle, reconnect, and reminisce about their shared experiences.

Engaging panel discussions were held on the importance of maintaining friendships post-graduation, navigation

professional networks, and leveraging alumni connections for career advancement with alumni showcasing their talents and entertaining fellow attendees.

Alumni were invited to share their reflections on the significance of friendship in their lives and make pledges to stay connected with their peers. Few alumni came forward, to share their experience, and motivated other alumni members.

The friendship day celebration Was a resounding success, bringing together former classmates to celebrate the bonds of friendship forged during their academic years. The event not only reignited old friendships but also created new connections, underscoring the enduring value of the alumni community. As alumni departed with fond memories and renewed friendships, the spirit of camaraderie continued to thrive, promising future gatherings and collaborations.

2022 - 2023

NATIONAL POLLUTION CONTROL DAY

The National Pollution Control Day was commemorated on 02.12.2022 with 25 students and two staff members. This event reflect on the alarming consequences of pollution on our environment, our health, and our future generations. The event successfully raised awareness that one must prioritize the preservation of our natural resources and the protection of our environment for the sake of current and future generations.

2022 - 2023

CANCER AWARENESS DAY

The Cancer Awareness Day was commemorated on 07.11.2022 with 25 students and two staff members. The highlight of the occasion was the presence of esteemed Chief Guest, Mrs. B. Deepa, Assistant professor, Department of Mathematics. A day dedicated to raising awareness about one of the most pressing health challenges of our time. The event successfully raised awareness about cancer, and recognized the importance of adopting healthy lifestyle choices and promoting cancer prevention initiatives in our communities.

Vasan Eye Care - Eye Camp 2022

Vasan Eye Care Eye Camp, organized by the Photographic Committee at St. Joseph's College of Arts and Science for Women, Hosur, on 11, 2022, marked a significant initiative towards promoting eye health awareness and providing essential eye care services to the community. Totally 138 students were benefited.

With the support of Vasan Eye Care, the event aimed to commemorate World Day, emphasizing the importance of vision care and accessibility to eye health services. The Eye camp commenced at 9:00 AM and continued until 1:00 PM, providing a comprehensive range of eye care services to individuals from diverse backgrounds. The event was strategically planned to ensure maximum participation and accessibility to those in need.

A team of skilled Ophthalmologists, optometrists, and volunteers collaborated efficiently to streamline the process and deliver quality eye care services. Trained optometrists conducted thorough vision screenings using advanced equipment to detect refractive errors and other visual impairments.

The collaborative efforts of the Photographic Committee, in partnership with Vasan Eye Care, culminated in a successful eye camp at St. Joseph's College of Arts and Science for Women, Hosur. By extending essential eye care services to the community and promoting awareness on World Day, the event exemplified the commitment towards ensuring eye health equity.

The collaborative efforts of the Photographic Committee, in partnership with Vasan Eye Care, culminated in a successful eye camp at St. Joseph's College of Arts and Science for Women, Hosur. By extending essential eye care services to the community and promoting awareness on World Day, the event exemplified the commitment towards ensuring eye health equity and accessibility for all. The impact of this initiative resonates beyond the event day, fostering a culture of proactive eye care and well-being within the community.

NATIONAL POLLUTION CONTROL DAY 2022 - 2023

The Institution's Innovation council of St. Joseph's college of Arts and Science for women, Hosur in association with the Department of Chemistry organized competition "Pollution control day on 02.12.2022."

On 11th December 2022 two faculty members Mrs P. Monisha, Assistant professor in Chemistry department and Mrs LAVANYA, Assistant professor in Chemistry went to government school and they thought about the impact of pollution in the world by showing the chart and models to the government school students. Nearly 100 students were actively participated and clear their doubts.

The students acquired knowledge about reducing personal carbon footprint through ecofriendly choices and spread the word and take action to protect our planet. They also took the oath to educating others about the effects of pollution on the environment and human health.
