## **CATECHISM AND MORAL INSTRUCTION COMMITTEE**

### **POLICY**

- To assist the students in establishing moral and spiritual principles
- To assist the students in developing their morality and conduct
- To recognize the pathway of morality from the ways of the world
- To emphasize the need for emotional neutrality for living a calm and healthy existence
- To raise students' awareness of the importance of becoming responsible, productive members of society

### **PRACTICES**

- Classes on catechism and moral education are offered to Catholic and non-Catholic students, respectively, for the first hour on Wednesday.
- At the start of each new academic year, holy mass and orientation are scheduled.
- Regularly scheduled inspirational addresses and personal development workshops are held to enhance personalities, cognitive abilities, and learning capacities.

### **OUTCOME**

- The college's vision, mission, and theme are understood under everyday practices.
- Students develop self-awareness and self-assurance, helping them in the formulation of their life objectives and tenets.
- Students learn to appreciate law and order, solidarity, civic responsibilities, social diversity, and inclusivity.
- Students establish a standard of behavior in their personal lives that will support them in maintaining a positive self-image and acting as an example to others.
- Students develop empathy for others and demonstrate acceptance of everyone regardless of their economic, social, or cultural backgrounds.
- Students develop into self-aware persons who take an examination of their practices and act more responsibly.
- Students have been prepared to take on the obstacles that will necessarily confront them as individuals and make morally right decisions.
