CYBER CLUB

Policy

- Create awareness about cybersecurity, cyber privacy, and cybercrime.
- Open to all students interested in cybersecurity.
- Promote respectful and responsible behavior among members.

Procedure

- Hold monthly meetings for discussions and planning.
- Organize events on cybersecurity topics with guest speakers and experts.
- Launch campaigns during significant events (e.g., Safer Internet Day).
- Maintain a digital library of cybersecurity resources and best practices.
- Conduct surveys after events to assess engagement and outcomes.
- Review and refine activities quarterly based on feedback and effectiveness.

Outcomes

- Improved understanding of cybersecurity issues among students.
- Development of practical skills for online safety and threat identification.
- Higher student engagement in club activities and initiatives.
- A safer digital environment on campus with responsible online behavior.
- Cultivation of continuous learning in cybersecurity for students.
