Policy

- The Entrepreneurship Development Cell is dedicated to fostering and nurturing entrepreneurial skills among the student community.
- It aims to develop ideas and recommendations into potential upcoming entrepreneurs.

Practice

- The Cell serves as an effective platform for students to develop an entrepreneurial attitude.
- It organizes seminars, workshops, and interactions with distinguished entrepreneurs, skilled trainers, and government officials.
- Entrepreneurship Awareness Camps and Development Programs are arranged for aspiring entrepreneurs' benefit.
- Industry visits are also organized to provide insight and exposure to potential entrepreneurs.
- Each department conducts workshops to enhance students' skills.

Outcomes:

- The Entrepreneurial Development Cell aims to instil an entrepreneurial culture among students, nurturing creative thinking, innovation, and entrepreneurship.
- It endeavours to create an entrepreneurial ecosystem in the institute, encouraging students to consider entrepreneurship as a viable and preferred career option over traditional job placements.
