Fine Arts

POLICY

- To appreciate the beauty within both the Arts themselves and the humanity that brings them to life.
- To inspire the student community to cultivate and enhance their innate talents and skills.
- To nurture the exploration of artistic realms and strive for artistic excellence.
- To offer valuable societal perspectives through diverse artistic expressions.
- To maintain a connection between tradition and modernity through the medium of Art.

PRACTICES

- Every year, the Fine Arts Association operates efficiently, commencing with an inauguration event
- where office bearers and members are elected.
- The Association's numerous programs, competitions, and activities are thoughtfully organized by its coordinators and members through regular meetings.
- Association members actively encourage and ignite students; potential to engage in both regional and national events and programs.
- Students are also encouraged to engage with society, educating others about various social issues and raising awareness through diverse artistic expressions.
- Distinguished alumni from our college are invited to serve as Resource Persons and Judges for Fine Arts Association activities.

OUTCOMES

- Students enthusiastically engage in events and bring honor to the institution, which in turn serves as a source of self-motivation for them.
- Participation in various programs and events fosters a sense of teamwork and time management within the student community.
- The college enhances and nurtures students' artistic excellence to deepen their understanding of specific forms of art.
- Students further cultivate their talents and knowledge by embarking on various educational ventures and coaching centres, paving the way for future achievements in the field of arts.
