GREEN WAVES COMMITTEE

POLICY

The Go-Green committee is essential to keeping an eye on campus initiatives that promote environmental sustainability. The committee regulates the following:

- "Clean Campus"
- "Green Audit"
- "Hazardous E-waste Disposal"
- "Environmental Green"
- "Solid Waste Management,"
- "Liquid Waste Management,"
- "Management of Soil"
- "Water Management and Conservation"

PRACTICES

The following are routine actions carried out on campus by the Go Green committee:

- To encourage in the students, the value of cultivating the habit of growing their own plants at home.
- Adopting a paperless the platform and preventing unnecessary paper use on campus.
- Automobile on campus is restricted.
- The inspiration behind using bicycles and battery-powered vehicles.
- Consciousness of the usage of pedestrian-friendly pathways.
- Campus Prohibition of Single-Use Plastics
- Organizing and designing college campus display campus posters for environmental conservation
- Reducing waste and maintaining cleanliness throughout the campus
- Water conservation and management, such as collecting rainwater, managing and reusing waste water
- Campus initiatives that promote environmental sustainability
- The campus is covered in greenery, which serves as a carbon sink and pure air source.
- Preventing the utilization of polymers
- Green Notebooks
- Pens that are biodegradable and recyclable.

OUTCOMES

The campus is

- Plastic-free and eco-friendly
- Free of pollution
