

RED RIBBON CLUB

POLICY

The Red Ribbon Club (RRC) is dedicated to raising awareness about HIV/AIDS prevention, promoting healthy lifestyles, and within the college and the wider community.

PRACTICE

- Educate students and the community about HIV/AIDS prevention, transmission, and stigma reduction.
- Develop a calendar of activities for the academic year.
- Assign roles and responsibilities to RRC members.
- Organize awareness campaigns, workshops, and seminars on HIV/AIDS prevention and related topics.
- Collaborate with healthcare organizations, NGOs, and government agencies to implement initiatives.

OUTCOME

- Increased awareness and understanding of HIV/AIDS among students and the community.
- Promotion of healthy behaviors, including safe sex practices and voluntary blood donation.
- Enhanced partnerships with healthcare organizations, NGOs, and government agencies in addressing HIV/AIDS-related issues.
- Improved access to support services and resources for those affected by HIV/AIDS.
