

SWACHH BHARAT

Policy

The Swachh Bharat Cell aims to foster a culture of cleanliness and environmental awareness among students, staff, and the community.

Procedure

- Identify key areas for clean-up drives and awareness campaigns.
- Develop a schedule of activities for the academic year.
- Allocate roles and responsibilities to cell members.
- Conduct regular clean-up drives on campus and in nearby communities.
- Organize rallies, workshops, and seminars to educate students and the public.
- Collaborate with local schools and institutions to integrate cleanliness education into their curriculum.
- Solicit feedback from stakeholders to improve future initiatives.

Outcome

- Improved cleanliness and sanitation on campus and in surrounding areas.
- Increased awareness and participation among students and the community in cleanliness initiatives.
- Strengthened partnerships with local authorities, NGOs, and other stakeholders.
- Sustainable practices adopted for waste management and environmental conservation.
