WOMEN CELL

Policy

- To identify the leadership qualities among young women and build their innate potential.
- To instil positive self-esteem and self-confidence in the students and faculty to make the right life decisions.
- To create awareness among female students and staff about women's social, legal and constitutional rights to prevent gender exploitation.
- To create females cognizant about mental and sexual violence and develop knowledge on self-defence.
- Spreading awareness on good health and nutrition and facilities available for them.

Practice

- Organizes guest lectures to instill values and develop women entrepreneurs' personalities and leadership qualities.
- Conducting various competitions to encourage their artistic talents for creative thinking.
- Counselling young minds and shaping their attitude toward life.

Outcomes

- As a platform, students can comfortably participate and share their views.
- Enhances self-esteem, self-reliance and self-confidence.
- Moulding and enlightening the young girls to lead an economically independent life.
- Fostering decision-making ability among young girls.
- Making them realize their role in developing a healthy society.
