We empower young women with the motto **Knowledge Purifies and Charity Enhances** imparting superlative knowledge, adept skills and a holistic approach enabling them to face the present society. The college offers various UG, PG and research courses with an overall strength of more than 2000 students.

The study at St. Joseph's college will certainly fetch a joyful and memorable experience of escalation in the aesthetics of education and ethnicity provided by the multi-cultured and multi-faceted presence of faculty and students who are persistent with the quest for excellence in proficiency. Its quiet surroundings, comprising of architecturally designed buildings, playgrounds and lush greenery make it one of the most preferred destinations for the aspirants.

In today's era, the world anticipates a nourishing education. St. Joseph's college of Arts and Science for Women is a renowned educational family having the inclination to offer quality education to women. It carries a rich history, holding the pride of gaining a far-famed reputation under the Periyar University.

NOW IT IS HEREBY AGREED BETWEEN THE PARTIES HERETO:

Preamble

Institutional collaboration Initiatives will lead to efficient complementation of resources of both the sponsors and eventually leading to the development of a house of excellence for quality training, research and development which will be of immense mutual benefit and relevant to society's benefit. Realizing this objective, the industry and the college have signed this MOU in order to achieve the desired results for the benefit of the students and industry.

Objectives of MOU:

- An infusion of new ideas and methods of building professional networks and relationships between faculty and students of biotechnology department and the company.
- Companies can provide students with a real world experience through internships or training opportunities at the company.
- To conduct Seminars on the basis of mutual discussions.

Terms and Agreement:

- The industry shall provide students a minimum of 15 days of internship opportunities.
