SC/ST CELL REPORT

2022-2023

The SC/ST cell's inaugural meeting took place in the conference room on 15th July 2022. For the academic year 2022-2023, the Principal, the Coordinator, and three more members made up the SC/ST committee. It was planned to use assistant professors to explain students about the specifics of the scholarship programs.

The SC/ST students were verified by the cell members who also checked the student profiles available in the departments and office. First-year students were given orientation, which included information on various government initiatives for the SC and ST community.

157 students were enrolled for the SC/ST scholarship during the academic year 2022-2023.

All the students availed the scholarship. An amount of 936350/- has been received from the government as grant.
