(2018-19)

Women and Anxiety Awareness

Our College Women's cell proudly conducted awareness program "Women and anxiety" on 14.12.2019 to provide comprehensive overview of the significance of women and anxiety for students. We were honored to have Dr. Sreedaran, Assistant Professor, Department of Commerce, Muthurangam Government Arts College, Vellore our esteemed chief guest for the occasion. His presence enriched the event, inspiring students and faculty alike with his passion for giving awareness of women and anxiety for teenage girls. Dr.Sreedaran delivered a keynote address that education and awareness about anxiety can also help students to provide a comprehensive understanding of the intersection between women and anxiety in the college environment.

Campus Cleaning

On 21.06.2018 campus cleaning was done by our college NSS dedicated student volunteers participated in various areas. The grounds were meticulously maintained, with litter being promptly disposed of and recycling efforts diligently followed. Common areas such as the college campus, in and around outdoor spaces received special attention, ensuring they remained inviting for everyone.
