GENDER EQUITY PROGRAMS (2019-20)

Equal Access of Women Justice

On 11.01.2020, the Equal Access of Women to Justice is organized by Women's Cell. It is a fundamental aspect of ensuring gender equality and upholding human rights. However, in many parts of the world, women face significant barriers to accessing justice due to various factors such as discrimination, social norms, economic disparities, and lack of legal awareness. Addressing these barriers is crucial for creating a more just and equitable society. The Resource Person Ms.Swapna, who addressed the students about the future possibilities and what are the opportunities that are available in the society for a woman.
